Awards Evening

Thank you to everyone who attended our awards evening on Saturday 29th January. Over 100 people shared the evening with us and it was great to catch up with everyone after the end of season layoff.

Congratulations to all of our award winners. It is never an easy task to select outright winners, but we do ensure that all players receive a medal for their achievements throughout the year.

A huge thanks also to the committee who planned and delivered the evening. Particular thanks to the kitchen staff who put on some lovely supper for attendees.

If any players who were unable to attend would like their medal, please see Phil at the next training session and he will sort that out for you!

Training dates

Training for the 2022 season is to begin on Saturday 26th February 2022 from 9.30am.

Please be aware that building work continues and that, whilst the site is secure, there is a little less parking available than normal.

We can't wait to see you there!

Wednesday evening sessions will recommence on 30th March, once the clocks have changed.

Pavilion update

Building work continues as an exciting pace. This week saw the roof being installed and the pavilion really looks to be taking shape nicely.

For a small, rural village, this is a fine facility and we look forward to benefiting from its use in the coming months. The pavilion includes two changing rooms, each with toilets and showers, a referee's room, toilets for the public and a small communal area.

We are hoping that the project will be complete sometime in May, with the grand opening tentatively pencilled in for the June Jubilee weekend. We will confirm more as the weeks pass.

Girls Teams update

Coach Sarah will be visiting Tuxford Academy the week after next to share news our our newest team with the Y7 and 8 girls. Thanks to Sarah for doing this. She will hopefully be able to encourage a few more new players to the squad in advance of 26th February.

We are particularly grateful to Tuxford Academy for their support in raising awareness of the club. They are even trying to arrange for a member of staff to accompany new players for the first session, so they have a familiar face.

Please, give them a follow on twitter (@tuxfordPE) and let them know how grateful we are for their support.

Flyers and advertising

If you would like some flyers for your child's school (we have East Markham and Tuxford Secondary Academy covered already), please let Phil know and he will pass some on. Thank you.
