*****MEMBERSHIP DRIVE EDITION*****

NOTE FROM PENNY MOB PRESIDENT

Hopefully the summer is winding down and we will have less heat and our "snowbird" members will be returning. ALSO, the fall shows are starting up; see **"Events Listings."** What better time to seek out prospective new members.

With this in mind, I am naming September "Membership Drive Month." As with all clubs, membership is vital to its existence.

Therefore I am asking ALL club members to seek out prospective new members. This invitation to join is open to anyone who enjoys cars

(new and old-any brand) and the fellowship with others having the same interest.

Note an introductory letter to the club on Page 3. You may print this as a handout along with our 2026 Swap meet Flyer (pg.4) **PLEASE !** be personable; strike up a conversation. A friendly face and an upbeat, positive attitude goes along way.

Also, ownership of a classic car (Mopar included) is **NOT** a requirement. You can talk to a next door neighbor, a good friend, relative, etc. Many of our generation love the classics and love talking about them. We welcome them!
See you soon,
Penny

Do you have a love for those older cars and are intrigued with the new automobiles of today? Would you like to join others with similar automotive interests? Then perhaps you would consider a club whose membership thrives on these same interests.

The Mopars of Brevard Car Club is a not-for-profit organization formed in 1997. Its purpose is to promote and provide a platform for Mopar enthusiasts interested in ownership, restoration and maintenance of Chrysler Corporation vehicles and its subsidiaries. **HOWEVER**, ownership of a Mopar is **NOT** required. All makes and models of **ALL** automobiles, new and old are welcome. Furthermore, ownership of a classic is not required. You **ONLY** need a sincere appreciation and enthusiasm to further the automotive hobby.

Club meetings are held the 2nd Wednesday of each month, MeMaws BBQ, Palm Bay. All car events are discussed; swap meets, cruises and car shows. A monthly newsletter is also published.

If you would like to join us for some fun, fellowship and just keeping the hobby alive, we welcome you to join us at a club meeting.
