*****HOT SUMMER EDITION*****

NOTE FROM PENNY MOB PRESIDENT

Another month of "HEAT" in Florida. Looks like it's a constant A/C month for sure.

But some members might have faired better weatherwise by enjoying the summer in PA.

Vicki and Fred enjoyed the Chrysler Nationals at Carlisle. (Note pics and article).

Also, how about the weather in North Carolina? During the winter months, "heat" is not an issue. As for snow.... former MOBsters Pete & Katie have no problems in snowy conditions since their Jeep purchase. (See pics and article.)

As explained by Rachel at the June meeting, Salvation Army has come upon some hard times. So as one of our top charities, we voted to donate monies to them.

Keep COOL MOBsters and see you on the 13th!

PETE'S NEW MOPAR

By Penny Anderson

I had the pleasure of talking with former MOBster Pete Stasio recently who has relocated to North Carolina. He has stated that he loves living there and that it is "Jeep and Truck" country. So..... wanting a new toy and something for the snow conditions, he bought himself a Mopar AND it would be a 2014 Jeep Wrangler, Polar edition.

Having been a fantastic member of the club and Mopar enthusiast, I can't be surprised about his purchase. He remembers his '69 Plymouth and the MOB's swap meets and the cruises the club attended.

"I sure miss the club" stated Pete. "Think of us when you go cruising" Pete said lastly. No problem Pete! We miss you and Katie too!!!

CHRYSLER NATIONALS AT CARLISLE, PA.

(Pics & Info by Vicki & Fred)

This year at Carlisle (July 11-13th) marked 100 years celebrating Chrysler. If you don't know about Carlisle, you are missing out. It's the World's largest Mopar-themed car show at the Carlisle Fairgrounds.

Walter P. Chrysler
April 2, 1875-August 18, 1940

Walter P. Chrysler started his career working for train companies during the late 1800's and early 1900's. He worked for General Motors. After leaving G.M. he worked for Maxwell Motors. In 1925, he organized Maxwell and started Chrysler. In 1928, he purchased Dodge Brothers and renamed it Dodge. Also, Time magazine named him "Man of the Year." In 1967, he was inducted into the Automotive Hall of Fame.

Have you ever heard the expression, "He/she is built like a Sherman Tank?" Well, now you know what they look like. (Thought you might like this.)
