### NOTE FROM PENNY MOB PRESIDENT

Springtime is finally here! To me it's a time of new awakenings.....AND car events are in full bloom.

Steve from "Kool Karz" is hosting the car show associated with the Grant BBQ Fest. Always a great event to attend.

Then the Brevard Alzheimer Foundation will be having their car drawing event which is scheduled on the 30<sup>th</sup> of April at the Muscle Car Museum. This draws a lot of people with many door prize giveaways and raffles. Then the next car for ticket sales will be introduced. It's a.....have NO idea! But

whatever it is, it will be a "head turner" I'm sure.

Don't forget our MOB Spring Picnic will be at Fisherman's Landing/ Grant/Valkaria. Scheduled for the 13<sup>th</sup>. The club will supply the hamburger & hotdogs along with sodas & water. Utensils and dinnerware will be provided. This is a "dish to pass" event. If you are wondering what to bring and hadn't signed up with listed dish, please give me a call so #1 saying you plan to attend and #2 what you hope to bring without duplicating.

NOTE- we will have our noted "Spark Plug" toss game.

Mopars and All Cars,  
Penny

**IS IT A VALIANT?? OR A  
DUSTER???**

Written by Tom Hostetler

This is a 1970 Plymouth Duster 340 built by Mr. Curtis Dorman of Melbourne, Florida. It is pretty much back to original build. A 833 4 speed, 3.91 rear gear. Engine build is by Randy at Brevard Cylinder Heads, 40 over Keith Black pistons, Comp Cam, Clay Smith lifters and push rods. Cylinder heads were done by Space Coast Speed Shop and Crank by Jon Brunson, Crankmaster, Palm Bay. It’s a F4 light lime green with black bucket seat interior. The 1970 was actually a one year Valiant Duster. In ’71 they removed the Valiant badging. They made a whole bunch of Dusters between 1970 and around about 1976 with many engine and transmission combinations and several special models too. They are fun cars to drive and I really enjoy mine. My first Duster I purchased was in 1972 when I was a junior in high school; a 1970 340 Duster with Torqflight automatic. It was a F8 green with green bench seat interior. Started drag racing it in 1974 with a few modifications; 12.83, best ¼ mile time. That was a long time ago, LOL!!
