MOB NEWS

Monthly MOB Events

Memaw's BBQ – **2nd Wednesday of every month (August 11)** – meet and eat at 6pm, MOB meeting at 7pm.

Sarno Restaurant and Pizzeria – **4th Thursday of every month** – meet in parking lot at 530, go inside to eat at 6pm

MOB POSITION OPEN

The position of MOB President is still open. If you are interested please contact any board member. All that is needed is a desire to continue to support "your" club.

Newsletter Contributions

If you have an article or event you would like to appear in the newsletter we request that you have it to us no later than the 23rd of the month. This gives us time to rearrange the newsletter so the people that receive it via snail mail (USPS) will get it before the first of the month.

Thanks, Tony and Kim Orbeck

MOB Super Swap XXII

It's time once again to start preparing for our annual swap meet. Mopars of Brevard Super Swap XXII will be held Friday, February 25, 2022 (Swap Meet ONLY) and Saturday, February 26, 2022 (Swap Meet & Car Show). February 24 (Thursday) will be the early set-up date. Location - Wickham Park Equestrian Center within Wickham Park, Melbourne.

Introducing NEW THIS YEAR (2022) is an ALL MAKE Swap Meet. This gives the owners of various makes and models of other vehicles (other than Mopar) a chance to shop for parts they may need to repair, replace or need in restoring their vehicle. The All Make car corral will still be ongoing as other segments of the swap.

Watch for the New 2022 Swap Meet flyer on the MOB website in the near future.

As always, the Swap will ONLY be as successful as the number of club members that participate. So PLEASE volunteer to help and show your support in our annual event; Mopar Super Swap XXII.

FMA 34th Annual Sunshine State Mopar Show & Swap Meet

The 34th Annual Sunshine State Mopar Show and Swap Meet featuring Mopars with Herb McCandless (aka Mr.4-Speed) hosted by the Florida Mopar Association will be held on November 12, 13 & 14, 2021 at the Florida Agriculture Center and Horse Park, 11851 SW 16th Hwy 475A (I-75 exit 341 and go east to first left at light--the entrance is 1.7 miles on right at the Florida Horse Park sign) Ocala, Florida.

There will be a Mopar welcome party on Friday night, November 12 from 6 to 10 PM for \$25 per person including a Big Easy Cajun dinner (plus other food), wine & beer, a live band and dancing.

Every one registered will be given a free ticket for a drawing every hour from 11 AM to 3 PM both Saturday and Sunday with \$100 being awarded to each winner for a total of \$1,000.

The Park entry road has been paved and the first 200 vehicles to register will be parked under the large Pavilion. All years of Mopar cars and trucks are welcome, and bring your fire extinguisher for extra score.

Over 150 awards will be presented based on participants' choice on Saturday and a judging process on Sunday. There will be vendors selling parts, auto memorabilia, food, etc.

Car show pre-registration is \$35 for both days. Registration fee at the door from 8 to 11 AM will be \$40 for both days of the show. Show proceeds will benefit local charities.

Vendor pre-registration is \$55 per 20'x20' space for both days or \$60 at the show. For more info call-- Butch Arnold at 352-427-8382, show cars Alan Clemens at 352-671-7430 or Ken McNally at 352-341-1165 and vendors Roxanne Manzone (352) 208-4925.

You can register online at www.floridamoparassociation.com, print & mail the flyer/registration form on that website or print & mail the attached registration form. This is a great annual traditional Mopar event, with lots of gorgeous cars, music, food and lots of fun.

Vin Diesel Will Drive the New Electric 2000-HP Dodge eCharger in Fast and Furious 9

Dodge is building the first-ever all-electric Dodge Charger SRT Hellcat to unleash the muscle car's full performance potential. To showcase the eCharger's colossal performance, the film "Fast & Furious 9" will be in theaters soon.

After it debuts in Fast & Furious 9, the **Dodge eCharger SRT Hellcat** will arrive in dealerships in 2024. It will no doubt take part in drag races against combustion-powered muscle cars and sports cars in the film.

A quad-electric motor setup generating a colossal 2,000 horsepower and an exceptional 1,500 lb-ft of torque, puts the eCharger in the same league as electric supercars like the Pininfarina Battista. The all-electric instant torque eCharger will accelerate from 0 to 60 in just 1.5 seconds, topping out at 220 miles per hour.

I predict the current stable of modern Dodge Charger's values will become much more available soon after the movie debuts. When the eChargers arrive on the streets, we will begin to hear whining motors with tire screeching shrieks, followed by cars flying off the highways. (I'll take the back roads!)

VERY Clean 1977 Dodge Sportsman Brougham Barn Find

Call Wilson Ray 321-917-8898 for Dodge vehicle information - Referred by Pete Stasio

\$500 to be donated to the MOB if the camper is sold through the MOB newsletter.

See website at <https://classifieds.vintagecampertrailers.com/Classified/very-clean-1977-dodge-sportsman-brougham-barn-find-listing-1257.aspx>

This motor home is a looker and a RUNNER. It is an EXCEPTIONALLY clean, VERY dependable, antique coach in COLLECTIBLE condition, with LOW miles (58,000). We are only selling due to a family related illness/ situation.

Written appraisal is \$25,000. Delivery is possible anywhere as she runs great.

We have owned her about 8 years & lived throughout the USA. We have driven from WAY north- south, to California rt, across the desert twice, traveled multiple states thru 3 below 0 weather and 3 hurricanes!!!

She is WELL maintained with a 440/ V8 that can easily tow a full sized vehicle, let alone a lighter boat or trailer.

This motor home easily sleeps 4 adults. Features include a large antenna, shower, tub, 2 skylights (both with screens & 1 has a fan), toilet, bathroom sink and a privacy divider/ door. The full kitchen includes 2 sinks, a large oven with a 4 burner range, exhaust hood and a 'fridge.

There is also ac/ central heat, cruise, am-fm-cassette, SPOTLESS leather seats, a CLEAN dash (without scratches, dents or chips), recently replaced carpet & upholstery, refinished cabinetry, a tow hitch with ball, screens, curtains, etc. There are many EXTRAS, drawers, big closets & lots of storage space.

Due to her antique status she is smog exempt in MOST states, despite being a clean runner. She also does not have any computer chips which can create hefty diagnostic bills & runs fine on your cheapest fuel; 87 octane. We run high test every blue moon but not at all vital.

Financing is possible with appropriate credit. We are negotiable/ open to all reasonable offers. We do not have a generator but can easily give you an allowance to purchase one. Additional photos upon your request.

Price \$25,000 or best offer!
