Prez Sez:

By Robert Anderson

The January meeting was a huge success. Thank you everyone for coming out and supporting the club.

The February meeting will be mostly about the Swap Meet and ensuring that we have enough of what we need to make the Super Swap XXII successful.

All MOBsters are encouraged to attend this meeting and support the Swap Meet Activities. I hope that the March meeting will be a time for celebration for a very successful Swap Meet. Pre-registration is proceeding normally. If anyone attends any cruise-ins and/or car shows, please get flyers from Penny, and circulate them around these events. These flyers are our best method for advertising the SWAP. We hope that the addition of the multi-make vendors will help ensure that we have a profitable event. I encourage all MOBsters to support the bake sale with home made goodies. The more the better. Contact Katie Stasio for guidance on what to bake. Our Swap Meet is well known for its bake sale. This year

we will be having the bake sale on both days, Friday and Saturday.

Penny will be working with the club to determine how to best utilize our manpower during the event. Please visit with Penny so that she can lead us through to a successful SWAP.

Thursday, 24 Feb, will be a work day for the club. We will have all day to prepare the field for the Swap Meet that begins on Friday the 25th of Feb. All MOBsters are invited to join Penny and I for a "tail-gate" event on Thursday evening after we finish the setup activity. We will hopefully be able to begin in the 5-6 PM timeframe or earlier. Bob will grill Burgers and Franks on the barbee. While not a requirement for attendance, any "dish-to-pass" will be graciously accepted. All members and their guests are cordially invited to attend, and the club president will be inviting the FMA to join us.

I would like to schedule a spring time picnic. Fisherman's Landing is available every Sunday in April. We should have locked in a date for this picnic at the Jan meeting, but the President forgot to discuss it with the club. He asks that you accept his apology. ANYHOW, Penny has penciled in the 10th of April with the

Brevard Country Parks department. Everyone, please consult your calendar and schedule so we can adjust this date if necessary.

Wait for the green light

President Bob

SUPER SWAP XXII By Penny Anderson

Get ready! Get Set! It's almost a go. This month's meeting will be the last before the Swap and I have filled almost every position needed. If I haven't contacted you for a position and you would like to assist, please contact me ASAP. Relief people are always needed.

At this time, I would like to say "Thank You" to all of you that will be helping during the Swap. With everyone coming together, the Swap will be the "best" it can be and success will be the reward.

The following is a review of each day.

Thursday, Feb. 24 – Set up day. This is the day that we prepare the field, set up tents, put signs in place, etc. Any Mobster is welcome to help

out (Set up time around 8 am). At 3 p.m., early vendors will be arriving, registering and then allowed to set up.

Friday, Feb. 25 – More vendors will be arriving and also spectators (buyers). For those placing vendors in their spaces and parking the spectators, **be ready to do so by 7 a.m.! That means on the field!** Katie promises to have coffee ready for us early so we will be alert and ready to go. Also, Katie will be having a small bake sale that day. If you would like to contribute that day and/or Saturday, contact Katie. She will be more than happy to inform you how to package your baked goods, label (if necessary) and the delivery of your goods (when and how.) She maybe reached at 321-794-5042 OR punkin7172@yahoo.com

Saturday, Feb. 26 – The Big Day has arrived so “All hands on deck!” Vendors should be in place by now, display cars, car corral and spectators are arriving. The DJ will be playing music and the MOB activity center should be in place and ready to “GO!” (This means the raffle and 50/50 ticket sales, water/soda sales, bake sale, t-shirt sales and the membership info center should be ready for activity.) As mentioned previously, **all given positions should be ready to go at 7 a.m. unless told otherwise.** If you are in need of something to do your job or need clarity on how to proceed, please, please ask prior to 7 a.m.! I realize this is very early, but experience in the past has told me 7 o'clock is a usual arrival time for an event starting at 8 a.m.

Lastly, if you have a tent, please bring it. We never know when and if we will need it. (Rain?) Also, everyone should bring his/her chair (none provided.) There are no “field” lights so bring flashlights (to those whom it may apply.)

That which will be provided – 50/50/raffle tickets, buckets and signage for all activities. Petty cash for those who need it. Literature, membership & renewal forms for membership tent/table.

Again, “Thank You” to all who will be attending/working the Swap. It's always a good feeling, looking around and seeing people enjoying themselves and having a good time. Let's have some fun ourselves knowing we have represented the Mopars of Brevard in a most positive manner/favorable light.

MOB VALENTINE BASKET by Penny Anderson

It's soon Valentine's Day and it wouldn't be fitting NOT to have a Valentine basket to raffle off. So come to the February meeting and take a chance on a Valentine basket loaded full of goodies for a couple, girlfriend, boyfriend or someone you would like to say you care. I might add, included in the basket is a \$25 restaurant gift card. Good luck and Congratulations to the winner!

What is a MOPAR Guy or Girl?

At some point in the 1960s, Mopar became catch-all slang for cars built and sold by Chrysler, Dodge, and Plymouth. Over the years its reach grew to include earlier brands like DeSoto and Imperial and, eventually, Jeep and Ram. “Mopar or No Car!” is the cry of the faithful; “Mopar Person” a badge of honor to many.

What does HEMI, Hemi, hemi, mean?

A "hemi" without capitalization refers generically to any engine with a hemispherical combustion chamber.

"Hemi" is a shortening of "semi-hemispherical," and it refers to the shape of the original Hemi's combustion chamber.

"Hemi" is sometimes spelled in all caps as "HEMI." When you see it presented this way, it indicates use in official Dodge, Jeep, Ram, Chrysler, or SRT public relations material.
