Happy and Healthy Christmas and a Happy New Year!

Here we are looking at 2021. Hopefully, The M.O.B. can get back on track with local car Shows and Future swap meet!

Our Travel to Moultrie Ga.to the swap meet was very interesting. It's next to impossible to see it all in one Day!

We left Moultrie and came back to Melbourne for one night and then off to Daytona for a week. Weather was great at both events! I purchased wheels and tires in Moultrie for my 2018 Dodge, and I bought a left front fender for my 1987 Chevy Pickup.

Hopefully 2021 will be better and we will be able to get back to some kind of normalcy, we will keep everyone posted of any upcoming events! Don't forget to renew Your Membership! Contact Kathy Ellenes Treasure 443 994 2626.

Sorry for the puns!

New Teslas don't come with a new car smell they come with an Elon Musk

That awkward moment when you're checking yourself out in the window of a car and you realize there's somebody inside

My parents told me I was born on the highway. Apparently, that's where most accidents happen.

My car fell into a ditch today. Didn't want any more cars falling so I put a car-pit over it

A truck carrying Vicks Vaporub overturned on the highway, amazingly there was no congestion for 8 hours strait

What did batman say to Robin before they got in the car?
"Get in the car!"

2021-MOB Officers Needed

Once again it's time for the election of new officers. The open positions are President and Secretary. If you are interested in either position, please contact any board member. All that is needed is a desire to continue the support of "your" club. As always, help in any position is given when needed

2021- Membership Renewals

The 2021 New Year has arrived and membership renewals are now being taken. Please fill out the form that is included in this newsletter and return to our treasurer as indicated. Single member \$18/\$30 for a couple. All payments must be accompanied by a renewal form. Membership renewals will also be taken at our January meeting

1953 Dodge Coronet Hemi
www.CharvetClassicCars.com

We love our Mopar HEMI rides. Few vehicles exist that are more exciting than the Dodge American muscle car. In 1953 the Dodge Hemi was born. The HEMIs are still popular, fast, and beautiful.

No wonder one of them might appear painted on this van!

1978 Valiant Super Bee A-Body

The 1978 Valiant Super Bee is a rare vehicle produced and sold only in Mexico. The 1978 Valiant-turned Super Bee- cranked out 300 horsepower.

In Mexico, 60 percent of parts used had to be domestically produced, so Chrysler put the Super Bee name on the '78 Valiant body. It used the 318 cubic inch 270 HP engine which was more or less similar to the horsepower numbers for the state side 340 small block engine.

The last two years of the A-Body Super Bee saw an increase in power with the addition of the 360 small-block rated at 300 horses.

The brand name Plymouth was exclusively reserved for the US

1949 Dodge Chrysler New Yorker

Bill and Dianne Hall have a 1949 Chrysler New Yorker they have owned for 25 years. They have accrued two trophies, and eight plaques all taking First-In-Class.

Bill and Dianne have long been members of the Mopars of Brevard automobile club.

1968 Dodge Charger Bengal Edition

The 1968 Dodge Charger, the second generation was all-new for 1968 and so were the Cincinnati Bengals.

In 1968, the American Football League (AFL) granted the city of Cincinnati a football franchise called the Bengals. To commemorate the occasion, local

Dodge dealer Tom Kneer decided to create his own special edition Dodge Charger in the team's colors.

Kneer made contact with the Bengals' headquarters to get vital information needed to craft his Bengal Charger. He discovered the team's uniforms were black with orange and white stripes and helmets were bright orange with black "Bengal" lettering.

Kneer placed an order with Dodge for 50 of the limited edition cars. The cars could be ordered with Black or White interiors. Engines ranged from 225 cubic inch six cylinder 145 HP up to 300 HP V8 horsepower.

Of the 50 original Chargers, only 3 have been accounted for in recent years.
