Super Swap XXII

By Penny Anderson

The Super Swap has come and gone but not without leaving on a most positive and memorable note. We were blessed with many vendors selling their wares and truly happy they came. The car display and corral participants were many too! Thanks to DJ John Pappademetriou for doing a tremendous job. A Thank You also to club member Tom Rowe for bringing out his "Christine" and Hearse Caddy for "Show & Tell." And we can't forget two of our biggest supporters/sponsors – Bill Boydston (Bed Rock Transmissions and Transmasters) and Tommy from Tommy's Top Wrench.

Lastly, I would like to express a sincere "Thank You" to ALL Mobsters who worked at the show and /or contributed in some fashion. Everyone coming together to make it happen. That's **SUCCESS** !!!!!

MOPARS OF BREVARD
SUPER SWAP

FEBRUARY XXIII
25, 26, 2022

Prez Sez: By Robert Anderson

WELL DONE MOBsters. The MOPAR Super Swap XXII was a huge success by any method of review. The Swap had been dwindling ever since we were forced to move from the Wickham Road Location 5 years ago. Even though the Wickham Park personnel have been very easy to work with, the extra cost and the location have worked against us. Customer attendance was down, expenses up and MOB morale has suffered. Then COVID hit is and we were forced to cancel the 2021 show.

Fantastic Hot Rod

We Love Old Trucks

We refused to give-up though and on 25-26 February we held MOPAR Super Swap XXII. Even though expenses were high, we proceeded to advertise the show. We made thousands of flyers, advertised in magazines, recorded radio spots and played them on many radio stations. We travelled to other shows and “sweet talked” with the vendors. Our MOBsters have worked tirelessly since October to bring national awareness to the show. These efforts paid off big time with a lot full of vendors, and show cars. This was our first year to allow an all make Swap Meet and it was the correct move for us. I visited with many vendors and all have promised to return again next year.

Thank You to all MOBsters who helped prove that Swap Meets are not dead.

The MOB picnic is scheduled for 10 April 2022 at Fisherman’s Landing. The treasurer will be updating the MOB membership list this month. Any 2021 member who has not paid dues for 2022 will be removed from membership list.

Sad News

By Penny Anderson

The MOB has lost one of its' previous members on February 16th, Althea Underwood. Althea and her husband Bob Underwood were members of the Mopars of Brevard for many years. Althea loved to bake. She was ALWAYS bringing a cooler full of baked goods to the bake sale at our swap meet. She greeted everyone with her infectious smile and would help anyway she could. We miss you Althea! Our MOB family sends condolences to Bob and family

Newsletter contributions

If you have an article or event you would like to appear in the newsletter we request that you have it to us no later than the 23rd of the month. This gives us time to rearrange the newsletter so the people that receive it via snail mail (USPS) will get it before the first of the month.

Thanks, Tony and Kim Orbeck

A Rock Legend lived in our midst!

Submitted by Roger Bukowski

Jim Morrison, the Doors band front/man began life as a child in Florida on the Indian River. His modest home is at 2100 Vernon Place, Melbourne. His childhood home is on a side street in Melbourne, where most people may simply drive by and not realize the significance of the place.

An iconic performer, unfortunately Morrison died -- or disappeared -- in Paris in 1971, at the age of 27. During the preceding four years, the Doors had risen from the bars of Los Angeles to become, by some accounts, the American Beatles. They were the first American hard-rock group to record five consecutive gold albums.
