Mopar Super Swap XXI-2020

By Penny Anderson

Another SUCCESSFUL Swap for the Mopars of Brevards. Good weather graced the days leading up and the day of the event. All members did a fantastic job preparing and working the day of. Must say that there were plenty of "fires" to put out (obstacles) but as usual we worked them out providing another fun and enjoyable day for all involved. On behalf of Pete and myself, we want to say "Thank You" to all the Mobsters whom participated and also to the vendors and participants that attended without you there would be no Mopar Super Swap.

A nice thought for today

Today, a boy in a wheelchair saw me desperately struggling on crutches with my broken leg and offered to carry my backpack and books for me. He helped me all the way across campus to my class and as he was leaving he said, "I hope you feel better soon."
