Hello MOB members,

The 2022 swap meet is coming up in February. Some of you know because you've been to the MOB meetings, but some may not know. We have the same jobs as always that we need volunteers for. If you can come to the meetings to find out about the swap meet that would be great. I know that this Pandemic with Covid 19 is a worry to all, but it would be great to know who is going to be able to volunteer to help with the swap meet. This would be a great help to me and Penny.

Katie is still heading up the bake sale. We need as many baked goods as we can get (cookies, brownies, cupcakes, etc.). Make sure they are wrapped in bags and labeled. Anything containing peanuts/peanut butter should be labeled as such due to allergies. The swap meet vendors and car people love our bake sale, and it brings in a lot of money for the club.

Thanks Pete and Katie Stasio

Message from the editor: If you are unable to come to the meetings please contact Pete or Penny to let them know if you will be able to volunteer at the swap meet. See flyer on MOB website for more information.

Meet Walter

Walter is a Super-Sized VW Party Bus

Walter is of course not a real VW and has no VW DNA. He was built by the **Walter Truck Company** in 1963.

Walter began life as a firetruck. He had military service, as a fire truck and, later fought wild fires. Later worked as a giant VW Van and worked Google and SpaceX events.

Kirk Strawn found Walter in a junk yard. Strawn built the bare truck to a 2:1 scale topping at 13 feet high.

The driving position and all of its controls were raised up near the roof. He's got a VERY commanding view from up high and has an 83-speaker sound system located around the bottom of the "Van" thus rivaling a dance club.
