*******THE LABOR DAY EDITION*******

NOTE FROM PENNY MOB PRESIDENT

The August meeting had quite a group of Mobsters; 24 to be exact with 2 "Mobsterettes" Aubrey and Autumn.

We had one visitor, Chris Faraday. He said he was looking for a group that enjoyed their cars and love the classics as much as he does. Thank You for attending and hope to see you again!

The summer is slowly winding down and the fall shows are coming about. See all the shows listed in the "Upcoming Events" section. Note the Pre-Reg. deadlines.

Our Oktoberfest Car Show plans are coming together. Flyers are being distributed to various events, possible trophy sponsors are being contacted and we have already received some pre-registrations. GREAT!!!

Likewise, the Super Swap flyers are made and being distributed. The City Permit has been submitted with no indication of any problems.

Sadly, we have learned that "Mike Kelly's Cruise News" is no longer in production. Understand the decision was long time coming and not an easy one. "All" car show buffs will definitely miss it.

See ya soon!
Mopars and All Cars,
Penny

Remembering Past MOB President

Bob Underwood

On July 31st, we lost another member of our family of Mobsters. Bob was truly a classic car collector owning many over the years. One of which is his 1948 Chrysler Woodie convertible. This car is one of the three vehicles being placed on the Swap 2025 event t-shirt. He won several trophies over the years with this vehicle along with several others. He always had a passion for these cars which he will be remembered for plus the smile and good words he always had for everyone. May you rest in peace Bob. Your work is done here. Know we will miss you and Thank You for your service leading us - The Mopars of Brevard.

Local Club Gives To “Kidsight”

As Mobsters who remember Joseph Naulty, know he loved his Mopar. But many may NOT know, he was a dedicated Lions Club member. Close to his heart were also the community of those who are blind. In the upcoming SBLC 13th Annual Car Show, September 28th. 100% of the show proceeds will go SBLC’s Kidsight and other local charities. Since the fall of 2022, this charity has screened over 6,000 kids in Brevard County. More than 400 children have been referred to further eyecare.

The Lion’s Club Car Show will be held at the Muscle Car Museum this year. For more info on the show, please refer to the “Event” section. Remember in attending the show, you are giving to a worthwhile cause. “Helping Kids and Helping Others.”

It was a 1951 Dodge

By Bob Anderson

It seems like all of my stories start out pretty much the same. It’s January of 2023, Penny and I are sitting in from of the Telly, when the phone rings. The caller identifies herself as Mary and she has a 1951 Dodge

Coronet Convertible that she would like to sell. It was her husband’s car. He was busy restoring it when he unexpectedly passed away. She requested that I travel to her location and appraise the car for sale.

So, a few days later I traveled up to Cocoa Beach and met Mary at a storage facility to see the Dodge. She had the car stored in a shipping container. She explained that the car had been at this location since early 1994. Her husband would work on the car occasionally, prepping it for restoration. He had removed all of the car’s trim pieces, the front grille, door handles and other parts that did not need paint.

He had placed all these parts in plastic containers. I estimated that 100% of the car’s parts were in that storage container, either attached to the car or stored in the containers. The car was incredibly dirty from the years of storage, however, I determined that the car was probably all there, not badly corroded and in restorable condition. Rather surprising for 30 years of storage in Salty East Central Florida.

HUMOR

A little boy was sitting on his step eating candy just as fast as he could unwrap it. A man passing by saw what he was doing. He said, "All that candy is not good for you and will spoil your dinner." The little boy said, "I don't know about that but my Grandpa lived to be 102." The man said WOW, you mean by eating candy?" The little boy said, "No, by minding his own business."
