*****Mother's Day EDITION*****

NOTE FROM CHRIS MOB PRESIDENT

Hello Mobsters,

The Kool Kars cars show was great. Over 250 cars, trucks and various street rods. The day was hot, but sunny and no rain. Penny is getting information about a trip to Daytona beach to visit Hanksters, The April picnic was a success. We had a lot of fun. The weather was a little windy, was sunny and warm. We had burgers, hotdogs and brauts. Many assorted side dishes and desserts. We played spark plug toss. It is was a fun day of conversation and fellowship.

We are having a guest speaker on restoration at upcoming meeting.

Brevard Alzheimer's Car Raffle for 2026

By Penny Anderson

Saturday, April 25th was the date for this years' car raffle drawing by the Brevard Alzheimer's Organization here in Brevard County. The car raffled off was a 1971 Purple Cuda with a 440. Many people attended the event; of which were Bob and myself. It was a warm day in the sun but the shade left us with a cool breeze. The usual crowd was seen with tickets being purchased right to the very end. One couple Bob talked to said they purchased \$1000 worth of tickets. They were indeed in hopes of winning the car but more importantly they said they wanted to support a worthy cause.

The conclusion of the event started at 4:30 p.m. Russell Sell, Executive Director of Brevard Alzheimer's Organization, started announcing the winners of the many raffle prizes that were donated by various individuals/sponsors. The n before the winning raffle ticket for the car was drawn, Russell asked if anyone wanted to see next

years' raffle car. So here comes the car for 2027 and it is.. 1971 Sublime Challenger, 426 Hemi. What a spectacular car!!!! Eyes were on it for sure.

Then the 2026 winning ticket was drawn. A local winner???? Out of state winner??? Yes, the car goes to Texas. Sorry Brevard County ticket holders. Maybe next year???

Thanks to our Brevard County Alzheimer's Foundation for such an event AND the services it provides right here at home.

Kool Karz Show

On a very HOT day, approximately 300 cars showed up for the car show (by Kool Karz) associated with the Grant BBQ fest. Although I didn't attend, I understand there were some incredibly "KOOL" cars to be seen and noted. One of which gained attention was a 2007 Shelby Mustang: owned by our own President Chris Faraday. Chris just recently purchased the vehicle after much looking and learning and what one might say "doing the homework" before the purchase.

At the conclusion of the event, winners were announced in different catagories. And you guessed it; in his **own** disbelief Chris's

Mustang won the category of the **Best Late Model Car-Kool Karz 2026**. Chris tells me he was "totally" taken away by the announcement. "First time taking the car out to **ANY** kind of show, let

alone winning a trophy/award????/???" said Chris.

I think Chris is ready to go to more shows. More on this at the meeting.

Congratulations Chris!!
