### **NOTE FROM PENNY** **MOB PRESIDENT**

At the May meeting, we had 2 visitors. Robert Cooke spoke about his 1967 Barracuda and Justin Carter Spoke about his 1953 Plymouth Cranbrook. Welcome!! Glad to hear about your cars and you! Hope to see you again.

The Alzheimer Raffle Car for 2025 (1972 Plymouth Roadrunner GTX-440) was given away on April 26 and then also was introduced the car for 2026, a 1971 Plymouth 'Cuda 440 car. Sharp! The winner of the 2025 car is a resident of Florida; from the Boca Raton area. (See Article – The Winner Is.....)

One note of interest is a coming magazine called "Motoring Florida." I had gotten a call from a representative from the now CXL Mike Kelly's Cruise News. She explained the new magazine will be distributed all over Florida. When should it arrive in the Brevard area? Not for sure but she assures me she will keep me updated as to where the magazine will be distributed.

Longer ago, we had a social cruise in (NO BUSINESS) on the 4th Thursday of each month. Interest has been shown to bring this back. More on this at the meeting.

## FOOD FOR THOUGHT

Expecting things to change  
without putting in any effort  
is like waiting for a ship at  
the airport.

## **“THE WINNER IS.....”**

On May 17<sup>th</sup>, Mobster Bob  
A. delivered the 2025  
Alzheimer Raffle Car to its  
new owner.

Mike S. in Boca Raton

Needless to say, Mike was  
“elated” to take possession  
of his new ride.

In 2026 the Alzheimer  
Raffle car will be.....

1971 Plymouth 'Cuda 440

### **FROM THE PACIFIC TO THE ATLANTIC**

Written by Penny Anderson

Isn't there a song with that title?? Anyway, that has a whole other meaning to my hubby.

Now everyone has heard of "Bucket Lists". Well, Bob has one that I am sure everyone would NOT attempt to do. Since he was in his early 30s, it was his desire to ride a motorcycle from Coast to Coast. But that thought passed thru his 30s, 40s, 50s and beyond. Work and raising a family was the top priority for quite some time.

Now the children are gone with children of their own and WORK is not in his vocabulary (retirement YES!) So, on April 30<sup>th</sup>, Bob flew out to Los Angeles to pick up his 2004 Ultra Classic Harley-Davidson. (That statement is partially true as when he arrived in LA, he

Immediately flew to Las Vegas to where the bike was. (Another story in itself.) The plan was to have a pic taken at the Santa Monica Pier with the bike but that exact location was derailed. But, just a few blocks away the opportunity presented itself.

California

Now the mission was to get to San Diego and head east. He thought the mountains in Utah would be fun to see on the bike But FRIGID temps said otherwise. (Changed plans.) So....(remember this is my story, short version. To get full details see Bob) Continuing his journey he visited Yuma AZ, Laughlin NV, Albuquerque NM, Amarillo TX, Little Rock AR, Hattiesburg MS, Tallahassee FL and then eventually home. Weather the PITS!!!! Rain from TX on. "YUCK"
