## TARTAN ROCKET

food that's out of this world!

From family gatherings to  
breakfast meetings and  
corporate events, we can  
provide delicious high-quality  
catering that meets your  
budget and will definitely keep  
your guests happy.

## HAVE A LOOK THROUGH AT SOME THINGS WE DO - ORDER ONLINE & WE'LL DELIVER

**We have been delivering sensational food to corporate clients and private events since 2005. The team works hard to maintain standards & are very proud of consistent 5 star reviews. Owned and operated by chefs Bruce & Louise.**

If you are looking for a catering company that you can trust to reliably deliver the best quality food for you and your guests, handmade by our skilled team from our spotless professional kitchens & bakery look no further than Tartan Rocket, you'll be over the Moon with our food!

**This brochure is just to give you an idea of some of our most popular items. Scan the QR code on each section to take you straight to that webpage.**

# ECOBIX®

Food packaging. Sustainable sourced. Easy to recycle.  
order online to make your next event  
cleaner and greener

Helping to sow the seeds of change with  
our future friendly packaging range.

Made using recyclable materials and printed  
using vegetable based low solvent inks.

Our zero plastic easily recylcable plant based  
range of plates, napkins & cutlery are made using  
sustainable resources, they're bleach & chlorine  
free with minimal impact on the planet.

Recycle our packaging to help promote a circular  
economy and work towards closing the loop.

You are actively reducing food and packaging miles  
by choosing Tartan Rocket® ECOBOX® packaging.

Kermit the frog says 'Stop greetin' Greta! we know it's  
not easy being green that's why we use Tartan Rocket'
