ABOUT THE WORLD CONSORTIUM (WCASP)

The World Consortium of Academics, Scientists and Professionals (WCASP) is the premier global fellowship body operating under **Mc Stem Eduversity**, a registered trademark and **ISO 9001:2015 (IAF) certified organisation**. WCASP exists to recognise, honour, and connect exceptional individuals who have demonstrated outstanding achievement and tangible impact across academia, scientific research, and professional practice.

We provide a definitive international platform for sharing ideas, cross-sector expertise, and breakthrough innovation. Membership is not merely an affiliation; it is a globally recognised hallmark of professional standing and a commitment to advancing the frontiers of knowledge and practice for the betterment of society.

As a WCASP member, you join an exclusive community of renowned academicians, research scholars, corporate trainers, industry experts, and distinguished personalities from the fields of arts, science, technology, and industry. The Consortium leverages the educational and institutional infrastructure of Mc Stem Eduversity—which holds strategic MoUs with **UpGrad** and **HeroVired**—to facilitate meaningful collaboration, mentorship, and global networking opportunities.

Join an internationally recognised consortium uniting leaders across academia, scientific inquiry, and global industry.

GRADE OF MEMBERSHIP: WORLD CONSORTIUM FELLOW (WCF)

Post-Nominal: FWCS

There is one distinguished grade of individual membership within the World Consortium. Members are entitled to use the post-nominal designation **FWCS** (*Fellow of the World Consortium of Academics, Scientists and Professionals*) after their name.

Example: Dr. John Kigstone, PhD, FWCS

This fellowship is a lifetime recognition of an individual's distinguished contributions and is conferred following a rigorous evaluation by a dedicated jury comprising esteemed experts and leaders from academia and industry.

MANDATORY ELIGIBILITY CRITERIA

To be admitted as a Fellow of the World Consortium, an applicant must meet the following five mandatory requirements:

1. Professional Standing and Distinction

The applicant must be a notable personality or a person who has earned distinction by the quality of their work in their relevant domain area. They must be a distinguished individual in the fields of arts, science, technology, engineering or industry, recognised for excellence and innovation.

2. Educational Qualification / Professional Background (Satisfy at least one)

- Be a renowned Industry Professional, Teacher, Faculty member, or Research Scholar of a recognised College, University, or Research Institution.
- Be a Corporate Trainer or Industry Expert with a demonstrable track record of significant achievement.
- Hold advanced academic qualifications (Bachelor's, Master's, or PhD from a reputed university or equivalent degree).

3. Proven Impact and Achievement

The applicant must demonstrate a proven track record of significant achievements in research, innovation, or industry practices. This includes initiatives that demonstrate a tangible impact on industry practices, societal needs, or policy development.

4. Collaborative and Interdisciplinary Engagement

Evidence of active involvement in interdisciplinary or cross-sector collaborations that have resulted in measurable outcomes is highly regarded.

5. Commitment to the Consortium

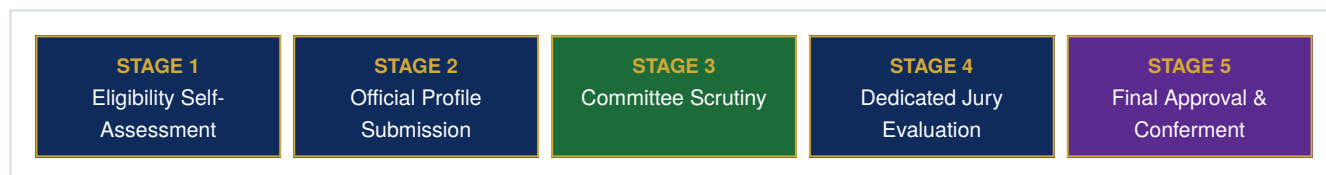

A demonstrated willingness to actively participate in and contribute to the fellowship community through mentoring, networking, and the sharing of expertise is essential.

JURY SELECTION CRITERIA

EVALUATION PILLAR	JURY ASSESSMENT STANDARD
Excellence in Research & Innovation	A proven track record of significant achievements.
Academic Rigour	Advanced academic qualifications from reputed institutions.

RIGOROUS FIVE-STAGE APPLICATION PROCESS

The selection process for the World Consortium Fellowship is rigorous and transparent, designed to uphold the prestige and integrity of the recognition.

Nominations are reviewed on a rolling basis — Early applications are encouraged.

Stage 1: Eligibility Self-Assessment

Before formally applying, candidates must internally verify that they meet all the mandatory eligibility criteria outlined above. This ensures that only serious and qualified individuals proceed to the formal application stage.

Stage 2: Profile Submission

Candidates are required to complete the official WCASP application form (available via the Mc Stem Eduversity portal) and submit it along with supporting documentation that evidences their qualifications, professional experience, and tangible contributions. Applications are submitted to the Membership Division of WCASP.

Stage 3: Scrutiny by the Membership Committee

Upon receipt, the application enters the internal review phase. The Membership Committee scrutinises the application thoroughly, which involves:

- Verifying the submitted qualifications and credentials.
- Assessing the claimed professional experience and standing.
- Evaluating the evidence of tangible contributions and impact.
- Cross-checking the applicant's profile against the selection criteria.

Stage 4: Evaluation by the Dedicated Jury

The application is then forwarded to the dedicated jury of experts and leaders. The jury evaluates the applicant's profile based on the selection criteria and makes a final recommendation for Fellowship Membership.

Stage 5: Final Approval and Conferment

Successful applicants are formally approved and issued a membership certificate with a unique identification number. The Fellowship is conferred during a conference or council meeting, and the member is notified of their admission date.

Code of Conduct & Commitment

All Fellows of the World Consortium are expected to uphold the highest standards of professional and academic integrity. Members must demonstrate a commitment to the Consortium's values by participating in its activities, contributing to its intellectual community, and adhering to the Code of Conduct. Fellowship is a lifetime honour, and members are expected to continue contributing to the advancement of their fields and to the broader mission of Mc Stem Eduversity.

FELLOWSHIP MEMBERSHIP BENEFITS

Fellowship of the World Consortium is a mark of distinction and professional achievement. Members are entitled to a comprehensive suite of benefits designed to elevate their professional standing and expand their global reach:

FELLOWSHIP PRIVILEGE	ENTITLEMENT & RECOGNITION DETAILS
Official Fellowship Certificate	A certificate with a unique identification number recognising your status as a Fellow of the World Consortium.
Post-Nominal Letters	The right to add FWCS after your name, signalling your distinguished status to peers and the public.
Global Recognition	Your name and profile featured on the official WCASP and Mc Stem Eduversity websites and social media channels.
Physical Insignia	A hard copy of the certificate and medal (where applicable) to display your achievement.
Conference Leadership	The option to serve as Chair, Co-Chair, Main Lecturer, or Keynote Speaker at national and international conferences organised by Mc Stem Eduversity and its partners.
Publication Discounts	An additional 10–30% discount on publication costs for premium fellow members who submit research publications for publication.
Global Networking	Access to an exclusive network of distinguished academics, scientists, and professionals across sectors and geographies.
