Here at Supporting Area Families Everyday, our mission is to help strengthen our community. In 2022 we continued to offer no contact custody exchanges, supervised visitations, free parenting classes in person, and via zoom. New, this year we began teaching in Bradford County Correctional Facility, offering holiday family pictures, and welcomed Danelle W. and Cassidy R. to our team.

Along with our services we continue to partner with our local agencies: CHOP, EMPCC, Early Intervention, Strengthening Families, Big Brothers Big Sisters, and many more.

Here's a look at some of what we've been up to this year!

In memory of our loving, dedicated President, Lois. We miss you greatly and are so thankful for all you have done for our organization.

A special thank you to all of our donators for the year 2022!
