

Merry Christmas!

Christmas in the keys may have warm weather, but many of the customs are the same. Along with the most spectacular and elaborately decorated homes on our Island, folks decorate corn plants, Norfolk Pines or Palm Trees with tropical fish lights and sea shells and much more! Folks of every age line the streets to share in the joy of our Christmas Parade!

New Years Eve brings the 2nd largest crowd to our islands to ring in the new year. We have the Lowering of the Pirate Wench at Schooner Wharf, Dropping of the Conch Shell at Sloppy Joe's, and The Red High Heel Drop at 801 Bourbon, just to name a few!
