

Every year Key West goes lobster crazy just before lobster season officially opens in early August. The last Wednesday and Thursday of July is the most exciting with the kick-off of lobster mini season where locals get a jump on commercial harvesting!

250 years ago, a bold idea changed the world:
that freedom belongs to the people.
Here's to the courage that sparked a nation and the
generations who continue to shape its future.
Happy 250th Birthday, America.
