Founded in 2014, 3 Harts Investments LLC, DBA Industrial Laser Engravers, a Veteran Owned Company, was started in order to provide detailed and precise engraving services for medical instruments, devices and small metal parts. Since then, we have expanded our services to include engraving and etching on most other substrates and materials. In addition to industrial engraving, we also engrave jewelry, awards, plaques, tags and more. We work with wood, metal, plastic, cloth, acrylic, leather, (glass and stone - etch only) and more.
