

ABOUT US

Our "Meet your Village!" initiative aims to leverage the power of community by combining several elements, such as curriculum, instruction, child assessment, health, teacher development, community outreach, and leadership. Our objective is to develop a dynamic and captivating early childhood education program that fosters curiosity and amazement.

WHY CHOOSE US?

The Child Campus provides a nurturing environment that fosters core skills for lifelong learning, essential in navigating an ever-changing world.

Our campus provides an ideal environment for families searching for a secure and enriching academic year for their children. Our summer program offers various activities for children to explore nature, arts, and develop new skills while building new friendships. Our experienced staff fosters a culture of inclusivity and camaraderie, ensuring a supportive and welcoming experience for all families.
