

WELCOME Back to SCHOOL!

Dear Parents,

At The Child Campus, we prioritize open communication with families through multiple channels, including in-person interactions, individual conferences, monthly newsletters, and our daily app, TCC Notes. This keeps parents engaged and informed about their child's learning and progress, including updates on meals, toileting, nap times, activities, and SMS communication with teachers.

What to Expect

In all classrooms, the TCC Educator team emphasizes self-awareness, understanding individual uniqueness, and offering abundant praise. The TCC curriculum is inspired by the Reggio Emilia philosophy, promoting a self-guided approach where children freely express themselves through activities like painting and drama. This curriculum is flexible, hands-on, and primarily interest-driven. Children are encouraged to take the lead in their learning journey, with teachers valuing their passions, interests, and thoughts.
