

## Required Vaccinations

Critter RnR has your pets' best interests at heart. The vaccine protocol is in accordance with the standards set by the American Animal Hospital Association (AAHA). The following requirements are to help ensure your pets' health and wellbeing.

**Dogs:** 1 or 3-year DHPP  
1 or 3-year Rabies  
1 year Injectable or 6-month Intranasal Bordetella

**Cats:** 1 or 3 Year FVRCP  
1 or 3 year Rabies 1 year Feline Leukemia

**BOARDING SPECIFICATIONS:** Dogs and Cats must be at least 5 months of age and must be current on all vaccinations at least two weeks prior to their boarding reservation.

**All vaccines are required to be administered by a qualified Veterinary professional to ensure that vaccination protocols were followed. Proof of vaccines must be provided before any appointments or reservations can be made.**

*Flea, Tick and Heartworm Prevention is strongly recommended but not required. Should any fleas or ticks be found on your pet during their stay, Critter RnR will administer treatment.*
