A Smarter Way To Golf-Travel

GOLF TRAVEL CASE 2.0

\$399

TRVLC24-BK

Crafted from tear-resistant 1680D ballistic nylon, this golf travel bag was built to last. The expandable main compartment is equipped with a self-correcting zipper that runs top-to-bottom for easy packing / unpacking.

A total of four compression straps ensure a snug fit while a thick-padded top protects golf clubs during travel.

LUGGAGE LINK

An adjustable luggage link easily slips over any rolling luggage – this tether mechanism disperses weight and promotes a weightless, seamless transit from the terminal to the golf course so you don't have to stress about the small things.
