

# PICKLEBALL

*PRO COLLECTION*

A black Vessel pickleball paddle with a carbon fiber face and a black handle lies on a teal pickleball court surface. Next to it is a black carrying bag with a shoulder strap. The background is dark and out of focus.

Step onto the court game-ready with the Pickleball Pro Collection. Designed with premium materials & functional features for enhanced court performance.

# CARBON PRO

## *PICKLEBALL PADDLE*

Its raw 3K Carbon Fiber surface offers a firm, crisp 'pop' for optimal kinetic reaction when striking the ball. The fine textured carbon fiber surface allows for optimal spin control.

Intentionally designed with non-slip grip technology and condensed foam to help absorb impact. Only 7.8 ounces, this lightweight pickleball paddle is comfortable to use, allowing players of all skill levels to play for longer hours.

# PICKLEBALL

## PADDLE BAG

This full-featured pickleball bag fits up to six paddles and has plenty of storage for ball canisters, towels, membership cards and more.

Innovative features such as a magnetic accessories pocket, insulated beverage storage, and ventilated footwear storage, support the needs of avid pickleball players.
