

TYNDALE BAPTIST CHURCH, READING

Getting in Sync with God: How to Step into God's Plan for Your Life

Scripture Reading: Jeremiah 1:4-5, Psalm 139:13-16

As we explore God's plan, 3 **important** things to know about Him:

- God is sovereign – Psalm 148:5-6, Psalm 33:4-11
- God is loving and kind – Psalm 33:5, Exodus 33:19
- God is intentional – Genesis 1-4, Matthew 10:30

His intentionality means he makes everything by design for a reason. God wastes nothing. This means God knows all of us and has a plan for all of us.

God has a plan for individuals; God has a plan for families; God has a plan for communities and nations.

Finding Your plan within God's Plan

What is the plan of God? God's plan is redemption. He is redeeming people, families, communities, nations and even creation. This redemption agenda will happen from now until the end of time, when it will be complete. (See Ephesians 1:4-12)

Often, when people talk about finding God's plan for their life, the underlying motivation is personal fulfilment and self-glory. But this is not what we see in God's word.

Why? See Ephesians 1:4-12, 2 Corinthians 5:15-20, John 15:15-16 and Ephesians 2:10

Steps to finding the plan:

Step 1: Develop a Kingdom Mindset: aligning your mind with God's plan is transformation. Romans 12:1-3

Step 2: A life of complete Surrender

The sovereignty of God demands complete *surrender*. Until I am completely surrendered, I cannot be committed to a full picture of the plan. Psalm 24, Luke 9:23.

Step 3: Ask and Receive (Jeremiah 33:3, Jeremiah 29:11ff)

Asking for direction proves humility. God always gives grace to the humble. Even when you're sure, check again.

Commit to prayer as a lifestyle—no decisions until you pray. Our prayer is not just asking and receiving alone; it is about alignment.

Step 4: Keep a lifestyle of obedience

Obedience keeps your heart tender. Psalm 32:8, John 14: 14-17

Obedience is the key that unlocks the next step in God's agenda. You may not have the entire picture, but obey what has been revealed.
