

Latham Springs
COVID-19 Pre-Camp Information

This completed form is required of all campers, and will be turned in with registration form at check-in.

Full Camper Name: _____

Camper is attending with: _____ (name of church/school/group)

I acknowledge understanding of the following requirements:

I understand that before attending, upon arrival, and at least daily while at camp, my child will be screened for any of the following signs or symptoms of possible COVID-19:

- Cough
- Shortness of breath
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- Loss of taste or smell
- Diarrhea
- Feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit
- Known close contact with a person who is lab confirmed to have COVID-19

I acknowledge that I/my child is symptom free prior to leaving for camp.

I understand that once I/my child arrives at camp, they will not be permitted to return to camp if they leave for any reason, including for school or family functions.

I understand that I/my child will wash or sanitize their hands at regular intervals, including before and after every meal and activity.

I understand that I will not be allowed to visit camp, except to pick up my child. (Child pickups should be communicated with the group leader beforehand.) No visitors allowed at camp.

I understand that I need to be available to pick up, or arrange to have picked up, my child within 8 hours of notification that they are exhibiting signs of COVID-19 and needs to be removed from the camp.

- A camper exhibiting COVID-19 symptoms will be immediately isolated until pick-up.
This means a camper who has a fever greater than or equal to 100 degrees Fahrenheit will need to be picked up.
- If my child is tested for COVID-19 and tests positive, I will report the positive test to Latham Springs Staff.

I understand that once my child returns home I should minimize in-person contact with any person 65 years of age or older, especially those with pre-existing health conditions, for a period of 14 days. This includes maintaining social distancing of at least 6 feet of separation from those individuals, wearing a face covering or mask, and avoiding sharing utensils or other common objects with those individuals.

NOTE: Any camper that might be categorized as ‘at risk’, should consider not attending this year.

Signature of Camper or Parent/Guardian(if minor): _____ Date: _____
