CALLING ALL CLEANERS: As many of you know, we have had teams for about the last 20 years working to keep the newest part of our church building clean and welcoming to all who enter. A huge THANK YOU to everyone who is or has served in this way. I don't know the exact amount, but over the years we have saved the church a tremendous amount of money by volunteering a little of our time. We currently have 8 teams who are scheduled to clean once a week for 2 consecutive weeks – 4 times a year, so basically it

takes about 8 hours of your time over the year. We are always looking for new team members to relieve some who wish to take a break or to form new teams which will reduce the volunteer hours for everyone. I'll be sending out a new schedule soon for 2026 so please let me know if you would like to serve in this way. I'll be happy to answer any questions you may have. Thank you! Carol Kunze, 715-432-7918

Red Letter Giving Challenge beginning January 11th: In a culture obsessed with more, more comfort, more security, more stuff, Jesus calls His followers to live counter culturally through radical generosity. Giving Challenge is a six-week journey inviting our Church to trade in the world's ways of using money for the ways of Jesus, discovering deeper joy and purpose in the everyday act of giving. Together we will explore the words and life of Jesus, learn timeless biblical truths, hear inspiring stories, and find that generosity brings more joy than we ever thought possible. Sign up for your small group today in the Narthex!

Good News Project of Wausau E-Cycling, 1106 North 5th St. Items can be dropped off Fridays 9:00 A.M.-4:00 P.M. Please understand that if you show up with electronics outside of normally scheduled

hours, we will not be able to accept them. Did You Know? The law bans the landfilling and incineration of many electronics and they *must* be recycled? What We Recycle at Good News Project Flat-Rate Items: Smoke Detectors that contain radioactive material (ionization is indicated on unit)– \$15 Each.
