**The Hagar House** was founded in 2021 by local Wausau woman, Jessica Bretl. She first had a vision for this home 10 years earlier when she unexpectedly found herself parenting alone. It was through her own personal experience of heartache, and struggle that she felt the Lord calling her to help other single moms in the same manner she had been supported. The vision was for a Christ-centered, long-term home where other single mom families would be offered respite, support and time to rebuild their lives. After years of living as a single mom and patiently waiting, God started working in miraculous ways to help make this home a reality. He brought together a team to pray, plan, and apply for federal nonprofit status. Soon, the community of Wausau and surrounding areas came together to support the mission – to free single mothers from cycles of crisis through a Christ-centered community. The team drove the city streets praying for a location to call home, and within weeks God led us to the perfect property. This 10 year long calling became a reality in the fall of 2022 when The Hagar House opened its doors in the historic district of downtown Wausau. Jessica still manages her life as a single mother of two great kids, and is now honored to add the role Executive Director of The Hagar House. The Hagar House depends upon volunteers to assist in the daily operation of the house. We truly appreciate you sharing your time and talent. We are always in need of volunteers to perform a wide variety of tasks. Your time commitment is your decision. We are thrilled to have your special expertise for as much or as little time as you have available. The relationship between volunteers, staff and residents is of mutual respect for each person's gifts. The goal of

a volunteer will be to assist The Hagar House Staff in providing a grace-based community of support in a family environment. It is our hope to provide resources to equip and empower single mothers and their children and we depend upon our volunteers to help us reach our shared goals. If you would like to volunteer, or donate go to [thehagarhouse.org/](http://thehagarhouse.org/) or call 715-298-9994

**The Penguin Project** is a unique opportunity to perform musical theatre. All roles are performed by young "artists" with different abilities. They are joined onstage by "peer mentors" during rehearsals and final performances. All year long, theaters across the country burst to life with something nothing short of magical. On these stages artists step into beloved Broadway roles—each performance transformed by a powerful twist. Every character is brought to life by artists with disabilities, paired with dedicated peer mentors who support, encourage, and celebrate them at every turn. After months of rehearsals, they step into the spotlight together, delivering performances that radiate talent, friendship, and the unstoppable force of the human spirit. These shows don't just entertain—they redefine what's possible. This summer's production will be **Aladdin Jr**, Thursday, June 25 – Saturday, June 27, 7:00 PM each evening at Wausau East High School, 2607 N 18th St, Wausau. Get you tickets at [penguinprojectcw.org/](http://penguinprojectcw.org/)
