Sharing the Gospel message from God’s word is essential to the life of a Christian. But many of us might be intimidated by this task. We see others who share their faith by knocking on doors, standing on street corners with signs, or debating people on the street to make a YouTube video. Is this how we are suppose to witness and share faith? We know the truth- that we have been buried with Christ and raised with Him in our baptism. This truth should change how we share our faith because Lutherans Witness Differently. Our guest speaker is Rev. Tim Droegemuller, pastor at Faith Living Church, Cumming, Georgia, he is a previous board member for LCMS National Mission. Lunch will be provided this a free event all are welcome.
