This is about more than a building—it is an investment in our young people, our ministry, and the future of our church. We are excited to see these spaces come to life and the faith, fellowship, and memories that will grow within them. **With grateful hearts, thank you for believing in this ministry and our future generations.** Ben, Ashley, Jenna, Lisa and the youth of our church family.

Thank You for Supporting Our Youth & Family Ministry: Thank you to our Church Council and congregation for supporting the use of the old school building for our Youth & Family Ministry. We are truly grateful for the opportunity to give this building new purpose and create a welcoming place where our children, youth, and young adults can gather, build relationships, grow in their faith, and know that **they belong**. This is about more than a building—it is an investment in our young people, our ministry, and the future of our church. We are excited to see these spaces come to life and the faith, fellowship, and memories that will grow within them. **With grateful hearts, thank you for believing in this ministry and our future generations.** Ben, Ashley, Jenna, Lisa and the youth of our church family.

This is about more than a building—it is an investment in our young people, our ministry, and the future of our church. We are truly grateful for the opportunity to give this building new purpose and create a welcoming place where our children, youth, and young adults can gather, build relationships, grow in their faith, and know that **they belong**. This is about more than a building—it is an investment in our young people, our ministry, and the future of our church. We are excited to see these spaces come to life and the faith, fellowship, and memories that will grow within them. **With grateful hearts, thank you for believing in this ministry and our future generations.** Ben, Ashley, Jenna, Lisa and the youth of our church family.

We are truly grateful for the opportunity to give this building new purpose and create a welcoming place where our children, youth, and young adults can gather, build relationships, grow in their faith, and know that **they belong**. This is about more than a building—it is an investment in our young people, our ministry, and the future of our church. We are excited to see these spaces come to life and the faith, fellowship, and memories that will grow within them. **With grateful hearts, thank you for believing in this ministry and our future generations.** Ben, Ashley, Jenna, Lisa and the youth of our church family.

This is about more than a building—it is an investment in our young people, our ministry, and the future of our church. Thank You for Supporting Our Youth & Family Ministry: Thank you to our Church Council and congregation for supporting the use of the old school building for our Youth & Family Ministry. We are truly grateful for the opportunity to give this building new purpose and create a welcoming place where our children, youth, and young adults can gather, build relationships, grow in their faith, and know that **they belong**. This is about more than a building—it is an investment in our young people, our ministry, and the future of our church. We are excited to see these spaces come to life and the faith, fellowship, and memories that will grow within them. **With grateful hearts, thank you for believing in this ministry and our future generations.** Ben, Ashley, Jenna, Lisa and the youth of our church family.

We are truly grateful for the opportunity to give this building new purpose and create a welcoming place where our children, youth, and young adults can gather, build relationships, grow in their faith, and know that **they belong**. This is about more than a building—it is an investment in our young people, our ministry, and the future of our church. We are excited to see these spaces come to life and the faith, fellowship, and memories that will grow within them. **With grateful hearts, thank you for believing in this ministry and our future generations.** Ben, Ashley, Jenna, Lisa and the youth of our church family.

This is about more than a building—it is an investment in our young people, our ministry, and the future of our church. Thank You for Supporting Our Youth & Family Ministry: Thank you to our Church Council and congregation for supporting the use of the old school building for our Youth & Family Ministry. We are truly grateful for the opportunity to give this building new purpose and create a welcoming place where our children, youth, and young adults can gather, build relationships, grow in their faith, and know that **they belong**. This is about more than a building—it is an investment in our young people, our ministry, and the future of our church. We are excited to see these spaces come to life and the faith, fellowship, and memories that will grow within them. **With grateful hearts, thank you for believing in this ministry and our future generations.** Ben, Ashley, Jenna, Lisa and the youth of our church family.

We are truly grateful for the opportunity to give this building new purpose and create a welcoming place where our children, youth, and young adults can gather, build relationships, grow in their faith, and know that **they belong**. This is about more than a building—it is an investment in our young people, our ministry, and the future of our church. We are excited to see these spaces come to life and the faith, fellowship, and memories that will grow within them. **With grateful hearts, thank you for believing in this ministry and our future generations.** Ben, Ashley, Jenna, Lisa and the youth of our church family.

This is about more than a building—it is an investment in our young people, our ministry, and the future of our church. Thank You for Supporting Our Youth & Family Ministry: Thank you to our Church Council and congregation for supporting the use of the old school building for our Youth & Family Ministry. We are truly grateful for the opportunity to give this building new purpose and create a welcoming place where our children, youth, and young adults can gather, build relationships, grow in their faith, and know that **they belong**. This is about more than a building—it is an investment in our young people, our ministry, and the future of our church. We are excited to see these spaces come to life and the faith, fellowship, and memories that will grow within them. **With grateful hearts, thank you for believing in this ministry and our future generations.** Ben, Ashley, Jenna, Lisa and the youth of our church family.
