Dear Friend in Christ, I didn't want to let this pass without reaching out. Right now, gifts are being matched, up to \$75,000, to help bring the message of Christ to more people through The Lutheran Hour®. This has been on my heart quite a bit lately. As I think about where people are today, it's clear that the ways they listen have changed. Many aren't turning on a radio anymore. But they are still searching. Still listening. Still open. And that doesn't limit how God moves. If anything, it creates new ways for His Word to reach people. We're seeing more and more moments where someone hears The Lutheran Hour in a place we never would have expected: on a phone, late at night, in the middle of an ordinary day. Moments where, by God's grace, the Gospel reaches someone right when they need it. There are people who may never walk into a church or tune in by radio ... but they will listen if the message meets them where they are. That's what today's matching opportunity is about. If you're able, a gift of \$25 would be doubled to \$50, helping place this message into someone's life at a moment they may not have expected, but truly need. Or \$50, doubled to \$100, could reach someone who is searching, as God opens a door in a way that meets them where they are. And a gift of \$100, doubled to \$200, would help carry this

message even further, as more people encounter it in places we never could have imagined before. Thank you for taking a moment to read this message, and for becoming part of what God is doing through The Lutheran Hour. And if you're not able to give at this time, I would simply ask that you keep this outreach in your prayers. May the Lord bless you and keep you. Go to lhm.org/lutheran-hour-match to donate. In Jesus, Rev. Dr. Michael Zeigler, Speaker of *The Lutheran Hour*

2026 Concerts on the Square: Wausau Events is proud to announce the lineup for the 2026 Concerts on the Square series, returning to the 400 Block in downtown Wausau on Wednesday evenings throughout June, July, and August. As the sun sets over downtown each week, the heart of Wausau will once again come alive with music, laughter, dancing, and the unmistakable energy of a community coming together. Returning again this year to the series is our Concert Off the Square in Kennedy Park in Weston. This concert will take place on Tuesday, August 18th. For generations, Concerts on the Square has been more than just a summer music series — it has been a cherished Wausau tradition and a gathering place where neighbors connect, families make memories, and visitors experience the warmth and spirit of the community. From children dancing near the stage to friends sharing a meal from local food vendors, the series transforms the downtown square into a vibrant musical celebration of summer in Wisconsin. Presented by Wausau Events alongside series sponsors Aspirus Health and Rocket Industrial, the 2026 season promises another unforgettable summer filled with free live entertainment, local flavor, and community pride. Each concert evening will feature live performances from a diverse lineup of talented artists from 6 – 8 PM, along with local food vendors, activity booths from our sponsors, and a welcoming atmosphere for attendees of all ages. Whether people come to dance in front of the stage, relax with lawn chairs and friends, or simply enjoy the vibrant downtown atmosphere, Concerts on the Square continues to offer something for everyone. Wausau Events invites the entire community to join in celebrating another summer of music, togetherness, and hometown spirit in the heart of downtown Wausau. Additional details, such as food vendor lineup, can be found at www.wausauevents.org.
