We're looking for a teacher for our Wednesday night **JAM** program! We have an opening to teach either **2nd–4th grade** or **5th–6th grade**. If you have a heart for sharing God's love with children and would like to make a difference in their faith journey, we'd love to have you! If you're interested or would like more information, please contact Lisa Fritz at lisa.fritz@greenheck.com

Help inspire the next generation! We're seeking a volunteer to lead our **6th–8th grade Sunday School** class. This is a wonderful opportunity to encourage young people as they grow in their faith, ask questions, and build a stronger relationship with God. If you feel called to serve in this role or would like to learn more, please contact Kris Prah at ckprahl@frontier.com or 715-581-4045

Volunteers Needed: You may or may not be aware that over the past few months, we have been experimenting with a virtual organist. If you haven't noticed, that is a good thing. St John is looking for a few volunteers who would like to learn how to use the SOS (Substitute Organist Service) software. You do not need to know how to play the organ, or any other instrument for that matter. Familiarity with the Liturgy is helpful. If you are interested in learning more, please contact Bryan Piepenburg for an overview of the process. The SOS software will only be used when Karen is unavailable to play.

Save the date! Hope in the Park: 89Q is thrilled to welcome award-winning Christian artist Jeremy Camp to Hope in the Park 2026, happening Sunday, August 30, at Marathon Park in Wausau for what promises to be an unforgettable evening of worship, community, and live music.

Coffee Hour: We're having a hard time keeping up with all the coffee spills on the carpet in the kitchenette area as well as throughout the church building. We will have a supply of lids on hand from now on. Please consider using them. Thank you.
