To,

PS to CM Haryana

Respected Sir,

We are happy to learn that the GMDA/Haryana Govt. is planning to re-organize the geographical limits of Wards of Gurgaon before the election for Councillors. At present these boundaries are not in proper geographical conformities.

The steps being taken to form a committee for this consideration is laudable.

As you are aware, JAFRA has been active for over 20 years to help and support the Govt. agencies to improve Governance & the quality of life of Gurgaon citizens. It may also be recalled that JAFRA was deeply involved in framing functional structure and guidelines for the forming of MCG & GMDA.

We request that a member of JAFRA may kindly be included in the proposed committee for de-limitation of Councillor Wards.

Sh. Rajender Singh Yadav from Village Tikri may please be included as our JAFRA representative.

Thank you,

Col. Kr. Pratap Singh
Chairman JAFRA
