Municipal Commissioner Gurugram

**Sub: R & M of Footpath Bus stands & Road Divider**

Sir,

1. During our meeting, we JAFRA, had raised common issues w r t R & M of Roads & Footpaths. I am now referring to specific conditions on Dhanwapur Road.
  - (a) There is no **footpath** at the starting point of Dhanwapur Road. (Photo attached)
  - (b) The footpath beyond this point is badly damaged at many places.
2. The bus stand stop No. 441 A on route No. 212 is badly damaged since months. *(Photo enclosed)*
3. The Jt. Commissioners of respective zones, SDO's & JE's should have their proper system to undertake timely repairs rather than wait for complaints.
4. I wonder how & why a berm (Road Divider) on Lt. A K Road, on Sec-5, which was in good condition, was uprooted & re laid

I on behalf of JAFRA, would like to know the complete details of this tender.

Thanking You.
