Delay in Covenant Vote Pending Counsel Review

By Randy Simpson

Your AG Board had intended to present the restated Covenants and updated By-Laws to a vote before the full membership beginning at the annual meeting on Monday, September 13, but voting has been postponed but due to continued counsel review. The primary focus of this review is to make absolutely certain that all the changes that are being recommended are consistent and meet all the requirements of Colorado law. We will keep you posted on the status of this review as information becomes available, and a future vote will be scheduled. ~
