## Happy Spring!

Hello Andover Glen! Happy Springtime. Hopefully everyone is enjoying the warmer weather, greener grass, flowers blooming and hearing the birdsong in the mornings.

## HOA BOARD UPDATES

In early May 2023, the board said a bittersweet farewell to Andrea Levine as she resigned from her position as Co-President. We thank Andrea for the many years she dedicated to serving Andover Glen through her participation on our board and continual striving to better our neighborhood.

## SPRINGTIME REMINDERS

As you get out to enjoy the beautiful Spring weather with your fur babies, please remember to carry "doggie bags" with you and clean up after your furry friends. It is a violation of Aurora

City Code to leave your pets' mess behind.

Please remember to have your dogs leashed as you walk the neighborhood and enjoy playing in our AGHA park. This helps to keep both your pet and your neighbors safe. Again, it is a violation of Aurora City Code to have your dog off leash.

## Alert!

There have been complaints of an aggressive dog that is getting loose and roaming our neighborhood. Please be aware of this and use caution if you see a dog wandering the neighborhood. Animal Control Officers have been involved in addressing this situation. If you encounter the animal, please don't hesitate to call Animal Control.

Contact Animal control at 303.326.8288 or online through Access Aurora to file your complaint about pets or wildlife.

## Discoloration of the creek water in our AG park.

If you notice any unusual coloring of the water in the spillway of our AG park, please contact Lynn Walton immediately at [lwalton80015@comcast.net](mailto:lwalton80015@comcast.net).

### **Parker Road Clean Up**

In early March we had a successful community clean up day where several homeowners joined board members to help clean up the large amounts of trash that had blown onto our property along Parker road.

Another Parker Road clean up is coming this July! Please look for an email with more details to come!
