|-------------------------------------------------------------------------------------|-----|--------------------|-------------------------------------|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | | Case of 12x16fl oz | Still Water Ginger Lemon Peel | \$30/cs \$3/bottle | <p>Ayala's Ginger Lemon Peel Herbal Water excites taste buds with a bright explosion of flavor! Lemon peel enhances the spicy warmth of the ginger root with a refreshing, citrusy zing that leaves the palate tingling for more. Ginger lovers rejoice at this spicy-sweet herbal blend that draws out the best of woody, pungent, and refreshing ginger and pairs it with zippy lemon peel.</p> <p>We consider ginger lemon peel our mellowest (or lightest) blend and suggest drinking it regularly to accompany everyday living. Restore your vitality with every sip. Ayala's Herbal Water is the first nationally available organically certified enhanced flavored water made with all organic ingredients.</p> |
|  | | Case of 8x12fl oz | Watermelon | \$12/cs \$2/can | <p>It's time to grab a friend, dust off your picnic blanket, and grab a can of our Watermelon sparkling water. Vibrant and bursting with juiciness, this flavor will be your go-to drink to brighten any dreary day or amplify the summer season. With strong fruity and melon notes, drinking our Watermelon Lightly Caffeinated Sparkling Water will taste like you're biting into a big slice of the sweet fruit.</p> |
|  | | Case of 8x12fl oz | Ginger Mint | \$12/cs \$2/can | <p>Spicy with notes of green, our Ginger Mint sparkling water is the perfect alternative to sugar-filled ginger sodas. With subtle hints of mint, this Lightly Caffeinated Sparkling Water flavor works great as a mixer as it compliments vodka for a Moscow mule-inspired drink, and gin for a delicious gin and ginger cocktail. For a night out (or in) with your squad, Ginger Mint will be your mixer of choice.</p> |
|  | | Case of 8x12fl oz | Cucumber Pear | \$12/cs \$2/can | <p>Cool as a cucumber, but more-so. Our Cucumber Pear sparkling water is refreshingly crisp and lifts your spirits. Invigorating cucumber flavor meets juicy pear to create a drink that is ideal for lounging by the pool on the weekend and amplifying your desk lunch on the weekdays.</p> |
|  | | Case of 8x12fl oz | Blood Orange | \$12/cs \$2/can | <p>No need to get your hands sticky from peeling an orange. Our citrus inspired Lightly Caffeinated Sparkling Water is a "bloody" delicious way to enjoy naval orange's swanky cousin. This Blood Orange-flavored sparkling water will lift your spirits and bring the sunshine and energy to any long day of hustling hard.</p> |

|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|----------------------|--------------------------------------------|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  |  | Case of 8x12fl oz | Lemon Lime | \$12/cs \$2/can | <p>Don't be fooled—our Lemon Lime sparkling water is anything but basic. The perfect replacement for similar-flavored sugar-filled soda beverages, this sparkling water will give you a subtle yet effective boost that you need to power through your day (plus a lot healthier and better tasting for you, too!).</p> |
|  |  | Case of 6x10fl oz | Matcha Green Tea Sweet Mint | \$28/cs \$4.85 /bottle | <p>Limitless sweet mint matcha green tea is made with ceremonial-grade matcha tea powder that gives it a bold taste and a punch of caffeine. The matcha in this tea also provides antioxidants and catechins, which help regulate and balance your metabolism. With only 40 calories and 10 grams of sugar in the whole bottle, this tea with a sweet mint flavor is a refreshing and light beverage for hot summer days.</p> |
|  |  | Case of 6x10fl oz | Matcha Green Tea Unsweetened Mint | \$28/cs \$4.85 /bottle | <p>Dairy Free Keto Friendly Kosher+ Low Fat Low Sodium Paleo Friendly Sugar Conscious Vegan Vegetarian Engine 2 Whole Foods Diet</p> |
|  |  | Case of 6x32fl oz | Matcha Green Tea Latte | \$60/cs \$12/unit | <p>Matcha is a special green tea that has been ground into a fine powder, traditionally enjoyed in Japanese culture. Numi's Matcha Latte blends smooth savory matcha and a touch of cinnamon for a delicious café treat. With just 6g of sugar per serving, we let the taste of real tea and spices shine.</p> |
|  |  | Case of 6x32fl oz | Turmeric Chai Golden Latte | \$60/cs \$12/unit | <p>Turmeric is a potent ingredient in Ayurvedic diets with many health benefits. Numi's Golden Latte blends chai spices like ginger and cinnamon, plus black pepper to aid in the activation of turmeric's properties. With just 6g of sugar per serving, this unique chai makes a delicious healthy treat.</p> |
|  |  | Case of 24 | Organic Sparkling Tree Water | \$47/cs \$10 /4-pack | <p>Hydrate healthy with trētap, a pristine sparkling organic tree water for those who care about what goes into their body. trētap is made with organic ingredients using pristine water from Vermont's maple trees, harvested using sustainable forestry practices. trētap is a refreshing, low calorie, sparkling alternative to soda naturally sweetened with a touch of organic maple syrup.</p> |
