adapted from: Solemnities of the Polish National Catholic Church
- S.O.C.L. Teachers Manual, 2006, Scranton, PA.

The Church is the Body of Christ, with Christ as the head and all baptized people as Her members. The Church is a community of people who practice what Christ taught us, so that we can receive salvation. It is people who believe in Jesus Christ and His teachings. These people are baptized and joined together because of what we believe. The part of the Catholic Church to which we belong is the Polish National Catholic Church. Our Church was organized on March 14, 1897 in Scranton, Pennsylvania by Father Francis Hodur and a group of Polish people.

WELCOME TO HOLY TRINITY CATHEDRAL PARISH

If this is your first visit with us, please sign our guest register in the vestibule and join us for a cake and coffee fellowship that follows every Sunday Mass and on various feast days of the Church year.

Holy Trinity Cathedral Parish of the Polish National Catholic Church has been an integral part of the Manchester and Southern New Hampshire community for 111 years meeting the religious needs first for the Polish immigrant community, and later for all residents of the Granite State. We hope to continue our growth in service to God and community. This commitment manifests itself in a regular devotional and prayer life and a greater participation in both ecumenical and community activities.

At Holy Trinity Cathedral PARISH, our primary emphasis is on the PARISH family. All who belong sense this family spirit - expressed in a real love and concern for one another. Our pastor makes a point to know each family on a one-to-one basis with frequent visits to family homes and to the hospitalized. Thus the spiritual health and vitality of all parishioners and all our friends is supported by both pastor and laity.

We invite You to join our PARISH family! If you are looking for a PARISH and are considering Holy Trinity, feel free to talk with any parishioner about it. We will introduce you to our family in all its wonderful aspects - a family whose real strength lies in our personal and real relationship to Jesus Christ, our Lord and Savior. We express this faith in our Church through our liturgy which is Catholic and traditional, shared between priest and laity. We demonstrate this faith in the prayerful material and emotional support we give one another. We share this faith in a Church rooted in Democratic principles, having a church constitution that gives laity full rights and due process in matters financial, administrative and material. OUR PARISH...firm in faith, Catholic, democratic, and OPEN to the growth that comes as more join our family.

MAKE YOURSELF RIGHT AT HOME!

EVANGELISM TEAM MISSION STATEMENT

Our mission is to increase attendance and membership to Holy Trinity Cathedral by fostering a welcoming and respectful environment, where individuals and families can explore and achieve spiritual fulfillment.

We are looking for ideas, any ideas, that can stimulate and increase participation in both the worship and parochial life of Holy Trinity Parish. Is there something you have seen, or experienced in another Church that you think might work well here? Have you had an idea for some time, but were afraid to share it? If you have an idea, no matter what it may be, please pray over it and then share it with either:

Mr. Ray Pieczarka 603-472-5874 or Bishop Paul 603-622-4524.

WELCOME - TO ALL VISITORS

You are most welcome and your presence is appreciated. All are invited to share in worship and, after Mass, our fellowship. If the people around you fail to say "hello" first, go up to them and say "Hi!" And don't feel awkward. We've all been in those shoes at one time or another. We want you to join us. **So Welcome Home!**

HTC Membership and Outreach Team Is Inviting YOU Join in an outreach

Our Parish Evangelism Team has reorganized. Known as the "Membership and Outreach" Team, our hope is that a number of our parishioners would like to be a part of an exciting opportunity to help develop programs and liturgies that will spread the Word to others outside our community, and also engage in Internal Evangelism within our parish family.

If **YOU** are interested in reaching out to others for the Lord you are invited to contact either Ray Pieczarka at (603) 472-5874 or Bishop Paul at 622-4524.

Page 1 Article (continued)

More than 100 years ago many thousands of Polish people came to the United States because they wanted a better life, freedom and the opportunity to develop their talents. When these Polish immigrants arrived in America, they continued their Catholic faith and traditions that they brought with them.

Being an immigrant was difficult, but they found jobs in their new country. They worked hard to provide for themselves and their families, as well as to support the Church. They even built new churches where they could worship God with their families and their friends. Many European immigrants were unhappy with the way they were being treated by the clergy. This was the situation in the south side of Scranton, Pennsylvania. When difficulties developed and problems were not resolved between the people and their priests and bishop, the group of people in Scranton began constructing a new church building. They would name it St. Stanislaus, Bishop and Martyr, Church. When the bishop would not support their efforts and refused to bless their new church, they asked Father Francis Hodur to be their pastor and leader.

As Father Hodur and these people began praying and working together, they developed the National Church Program. This program set forth their vision not only for their parish, but also for spiritually aggrieved immigrants in other cities. The National Church Program contained four points:

1. Legal ownership of church properties by the people
2. Parish governance in secular matters by parish committees elected by the parishioners
3. Appointment to pastorates of priests approved by parishioners
4. Appointment of Polish Bishops in America by Rome with input by clergy and laity

Father Hodur realized the importance of the printed word to communicate the National Church Program and other related ideals and principles to members of the church and others who could benefit from them. Therefore, the Straz - The Guard newspaper was created in 1897 as a publication of St. Stanislaus Church and was used as a missionary tool.

In the next few years new parishes were organized in various parts of the United States. In 1904 Father Hodur called a synod for this emerging religious movement. A synod is a convention of both clergy and lay delegates from affiliated parishes; the delegates make decisions and set policy for the Church. At the First Synod in 1904

Page 1 Article (continued)

the delegates officially organized the PNCC; a Church constitution was adopted that set forth the administration of parishes; the Straz became the official newspaper of the PNCC; Father Hodur was elected a Bishop; and a decisive break was made with the Roman Catholic Church.

The PNCC is not a new Church; it is an integral part of the Church founded by Jesus Christ Himself in Jerusalem. Therefore, our Church is One, Holy, Catholic and Apostolic, yet democratic as well. (An explanation of One, Holy, Catholic and Apostolic Church is given in the First Holy Communion Catechism and Workbook).

Father Hodur was consecrated a Bishop at St. Gertrude's Cathedral in Utrecht, Holland on September 29, 1907 by bishops of the Old Catholic Church. This consecration gave Bishop Hodur and the PNCC Apostolic Succession and valid, indisputable Orders of the Priesthood.

At the Third General Synod of the PNCC in 1914 Bishop Hodur, with the clergy and lay delegates, established the Solemnity of the Institution of the PNCC. This synod determined that it would be celebrated on the second Sunday of March each year.

The Church continued to grow and expand in various parts of the United States, especially where large communities of Polish immigrants had settled. There were also Lithuanian, Slovak, Czech and Italian parishes that were organized and became part of the PNCC. The mission of the Church was also extended into Canada as well as Poland with the establishment of parishes in both of those countries. With the expansion of the PNCC it became necessary for additional bishops to be elected and consecrated. Therefore, in 1924 four new bishops were consecrated for the Church and dioceses were established.

Today as we commemorate the Institution of the PNCC, we give thanks and praise to Almighty God for His many blessings in the past. We also cherish the democratic Catholic Church given to us by our ancestors in the faith. This occasion gives us the opportunity to rededicate ourselves to serve our Lord Jesus Christ through our beloved PNCC.

As Polish National Catholics we are reminded that we have certain duties as members of the Church. Those duties are:

- To accept and obey what Christ taught us.
- To give glory to God by leading a good life.
- To support the work of the Church.
- To help bring others into the Church.

PRAYER, FASTING AND ALMSGIVING**

ALMS BOXES are once again in the back of the Cathedral for you to take home. The alms box is to remind us to set aside a portion of our money to help the needy and less fortunate. We are asking all of our parishioners to set these special offerings during the seasons of Septuagesima and Lent. The offerings will accumulate until Good Friday. Then the boxes can be returned to the cathedral, or a generous check made out to "HTC Good Samaritan Fund." These funds will be given turned over to **the International Institute of New England**. This organization that has cared for refugees that are settled in the Manchester area is facing drastic governmental funding cutbacks, while they still pursue assisting legal refugees into our Greater Manchester community. We know and have helped IINE in their work in the past. God calls us to help the needy. Let us help IINE accomplish their important work. Please give generously!

Cleaning the Lens

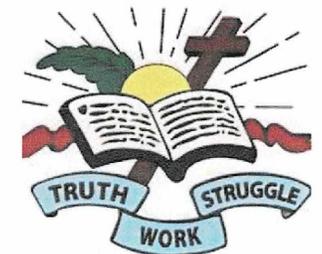

“Happy the people who know You, Lord, who walk in the radiance of Your face.”

— Matthew 4: 1a

I believe that all of us are born with the image of God stamped indelibly into the fibers of our being. Despite our personal flaws and the brokenness of our institutions, we all have divine wisdom and goodness inscribed on our hearts. We don't acquire it from without as much as we uncover it from within. Unfortunately, though, our personal experiences and cultural messages tend to have us believe that our worthiness resides in something external, something we can cultivate, achieve, amass, or purchase. This is a lie, an illusion, which obscures the divine goodness that is the birthright of each one of us. We see through a glass dimly. An important part of spiritual practice, then, is “cleaning the lens”: letting go of the layers of illusion piled up by the ego, which helps us to rediscover the deepest truths of who we are, what the world is, and how we belong.

~ Eastern Diocese Mission and Evangelism Commission

March 2026 - Join us in prayer each Wednesday at noon:

All-powerful and eternal God, we look forward to the day when nations will no longer wage war against nations and all people will live in security and peace. No matter what conflicts may face us, strengthen our will to work for peace. As we seek justice and oppose evil, may our purpose be to achieve peace and accord among all nations and peoples. We ask this through Jesus Christ, the Prince of Peace.
(From the PNCC Book of Devotions and Prayers)

Our Father, Who art in heaven, Hallowed be Thy Name.
Thy Kingdom come, Thy will be done
On earth as it is in heaven.
Give us this day our daily bread,
and forgive us our trespasses
as we forgive those who trespass against us,
and lead us not into temptation
but deliver us from evil. Amen.
