

## Event Cancelled

Covid 19 may have cancelled the Labor Day Poker Run event but the work continues to support and maintain the trail.

Due to concerns over the Covid-19 Virus the Westmoreland Yough Trail Chapter has opted on the side of caution and has cancelled all of the events for the year 2020. Because the trail is known to be a safe and permitted place to exercise during the pandemic, traffic on the trail has increased dramatically. Even though the events are cancelled the trail still needs to be maintained to support this additional usage. To that end the organization will be selling t-shirts as a fund raiser to help with these maintenance costs.

All proceeds from this event will go directly to maintenance efforts of the 10 miles of the Great Allegheny Passage that run through Westmoreland County.

Check out the information inside for how you can help.

# Virtual Poker Run - We're not walking or riding but you can still get a t-shirt.

The Over the Hill Gang continues to maintain the trail during the 2020 season. The increased traffic has put additional strain on maintenance activities in keeping trash collected, keeping the grass mowed and fallen trees removed. Also needed is work to keep the surface of the trail smooth by eliminating any runoff ruts caused by bad weather that impact the trail. The annual Poker Run proceeds are a major contributor to defray maintenance costs. To offset this loss the WYTC is holding a T-Shirt sale to raise funds to help in the maintenance efforts.
