Product Label Information	
Product name	Filleted Codfish IQF (One Frozen)
Raw material	Codfish
Net	
Drained weight	
Net Amount	
Storage Instruction	(Keep frozen) below -18°C
Origin Coutry	Japan
Raw material production region	Japan
Cooking method	Application of heat (for cooking)
With or without of heating before freezing	Without
Need for cooking	Needed
Expiry date	365 days from manufacturing date.

Microbial test information				
	First	Second	Third	Remarks
General viable cell count	< 300 (0)	< 300 (0)	< 300 (0)	
Coliforms	Negative	Negative	Negative	
Staphylococcus aureus	Negative	Negative	Negative	
Vibrio parahaemolyticus	Negative	Negative	Negative	

Have metal detector, etc. or not		Type of test piece		
Metal detector	<input checked="" type="radio"/> Yes <input type="radio"/> No	Fe1.5・Sus3.0		
X-ray detector	<input type="radio"/> Yes <input checked="" type="radio"/> No			

Nutritional information			
Analysis / Calculation unit	per 100g		
Energy	77 kcal	Protein	17.6 g
Lipid	0.2 g	Carbohydrate	0.1 g
Sodium	mg	Sodium chloride equivalent	0.3 g
Remarks
