RANGE HOOD LINERS

Stanisci Design carries a wide range of liners that cover all budgets and ventilation requirements. Our ventilators range from 300 CFM to 1500 CFM. The Professional Baffle and Professional Mesh liners have dishwasher-safe stainless steel filters that cover most of the underside of the hood for easy cleaning. Your choice of halogen or LED lights. The Value liner filters are also dishwasher-safe. All liners sold by Stanisci Design have a two year in-home warranty.
