CAMRYN WRIGHT

AUDIO ENGINEER/MUSIC ARTIST

PROFESSIONAL SUMMARY

Driven and dedicated creative professional with over a decade of experience in the performing arts. Having begun my journey in performing at equity theatres at 12 years old, I have a decade of experience creating in a professional and collaborative environment. At 21 is when I discovered my true passion lies in songwriting, audio engineering, and artist development. With a consistent and disciplined track record in playlist curation, demo production and creative vision practice, I'm ready to bring my skills and personality to the team and create even more high quality and intentional art.

EMPLOYMENT HISTORY

SEP 2023 - PRESENT

Audio Engineer, Independent, Chicago, IL

- Clean demo/80% developed vision guaranteed with every session
- Experience using Logic, Pro Tools, and Melda/Waves Plug Ins
- Create unique soundscapes/visions for clients, using Waves and other plug-Ins for quality output.
- Built a robust client base by mixing music for covers and independent projects.
- Coaching and positive collaboration to ensure the best takes when recording, and a clean artistic vision
