

Thank you for booking your MSC cruise vacation with me! I've attached your cruise confirmation for your review - please review it as soon as possible to verify all details are correct.

As a reminder, it is your responsibility to make sure:

- Your passport is valid for at least 6 months after your scheduled return date.
- First and last names match what is on your cruise line and airline confirmations (if air travel was included)

Also, I recommend downloading the MSC Cruises app as soon as possible and starting the online check-in process.

You may also visit <https://www.msccruisesusa.com/manage-booking/web-check-in> to complete the online check in.

Although you may still need to complete check-in, it's important to keep checking back as the cruise date gets closer to book shore excursions, specialty dining, and other cruise enhancements as soon as they become available.

Thank you again, and Please let me know if you need any other information.
