

Good morning,

I hope this email finds you well and excited about your upcoming Viking cruise! Thank you for choosing Nationwide Cruises and Vacations for your travel arrangements. Your booking details and travel documents are attached to this email for your convenience.

As you prepare for your journey, I wanted to share a few essential travel tips to ensure a smooth and hassle-free vacation experience:

- **Valid Passports:** Please remember to have valid passports with you throughout your trip. It's crucial to note that passports must be valid for at least six months after the return date, and all travel documents' first and last names must match exactly.
- **Document Safety:** Keep your passports, travel documents, important papers, keys, and medication with you at all times and avoid placing them in your checked luggage.
- **Airport Arrival Time:** If your airfare is included, I recommend arriving at the airport at least three hours before your international flight's departure to allow ample time for check-in and security procedures. Some airlines enable check-in 24 hours from home, which may help you have your printed boarding pass before arriving at the airport. Please remember that for international flights, your airline may only allow you to check in at the airport, so arriving early is essential.
- **Credit Card Holds:** Upon embarkation of the cruise or during your stay at pre- or post-hotels, Viking or the hotels may temporarily hold your credit card for incidentals. If you don't have any additional charges, these holds will typically be released shortly after your vacation ends.
- **Final Expenses:** Before disembarking at the end of your cruise, ask the ship for an itemized folio of any charges incurred during your journey. Viking may also email you a copy of the final folio for your records.
- **Port of Call Schedule:** Check the local times for each port of call and familiarize yourself with the deadline for returning to the ship. Be onboard before the ship's scheduled departure time at each port to avoid any delays.

Please don't hesitate to contact me if you have any questions or need further assistance before or during your trip. I'm here to help make your cruise experience memorable and enjoyable.

I wish you a safe and unforgettable Viking cruise adventure! Bon voyage!
