

Thank you so much for booking your Virgin Voyages cruise with me! I truly appreciate your trust and am excited to help you prepare for an incredible journey.

I've attached your cruise confirmation—please review it as soon as possible and let me know right away if any details need to be updated.

**Passport Reminder:**

We recommend your passport be valid for a minimum of six months after your cruise ends. Some destinations may only require three months' validity, so please check your passport's expiration date as soon as possible and confirm with me whether it's valid for your trip. Please note that your first and last name must match exactly across all your cruise, airline, and hotel bookings.

**What's Included with Virgin Voyages?**

Don't forget to pre-book your bar tab, dining, and shore excursions to secure your favorites!

Included with your cruise fare, but if you want specific dining times, I recommend pre-booking them:

- Guests can book dining reservations 45 days before sailing.
- RockStar or Mega RockStar suite guests can book up to 60 days in advance.
- Reservations are made via the Virgin Voyages app, so set a reminder today to book dining times when they become available, or give me a call.

**Flight Recommendations:**

Plan to arrive at least one day before your cruise starts, and schedule post-cruise flights for the afternoon. Please call me before booking flights to ensure the best timing and connections.
