

I hope you are excited about your upcoming Viking Cruise adventure! The countdown is truly on, and now it's time to finalize those exciting plans.

As a friendly reminder, your final payment is due soon. To make things super easy, I've attached your confirmation to this email. You can always reach me by phone, and I'll be happy to assist you.

***A Special Note for Our Viking Voyagers: Did you know you can save money on your final payment?***

For your upcoming Viking cruise, you have an opportunity to save 2% on your final payment by using an e-check! This saving is exclusively processed over the phone.

If you'd like to take advantage of this special offer, please **do not** use the "Pay Now" button on your attached confirmation. Instead, simply give me a call directly, and I'll walk you through the e-check payment process to ensure you get that savings. It's a quick and easy way to keep more cash in your wallet for your journey!

Speaking of getting ready, let's talk passports! For all international travel departing from the U.S. (including cruises!), It's highly recommended that your passport be valid for at least six months after your return date. While some destinations might not strictly require it, having that extra validity is a smart move that can save you a lot of headaches. Plus, it ensures everything aligns smoothly with your cruise and/or air confirmations.

Additionally, your first and last names on all travel documents must match exactly those on your passport. If you have any questions about specific document requirements for your trip, please don't hesitate to reach out. It's always better to be safe than sorry and avoid any last-minute travel snags!

Please remember to make the final payment before the due date to avoid any issues. If you have any further questions, please don't hesitate to contact me.

Thanks,
