

Thank you for booking your Holland America cruise! I'm thrilled to have you on board and am excited to help you create unforgettable memories on your voyage.

I've attached your cruise confirmation to this email for your convenience. Please review the details carefully and let me know if you have any questions.

As your dedicated travel advisor, I'm here to assist with any questions or concerns. To ensure your cruise experience is as smooth and enjoyable as possible, here are a few important reminders and tips:

Passport Check: Please double-check that your passport is valid for at least six months beyond your return date. Your first and last names must match exactly across your cruise line, air, and hotel confirmations. This will help avoid any issues during your travels.

Holland America Navigator App: Now is an excellent time to download the Holland America Navigator app. Starting the online check-in process as soon as possible will make the embarkation day much smoother. Additionally, you can use the app to begin booking shore excursions and other cruise enhancements, allowing you to secure your preferred activities and experiences. While some cruise enhancements may not be available today, starting the check-in process as soon as possible is important.

Air, Transfers, and Accommodations: If air transportation is not included in your package, we are more than happy to assist you with booking flights, transfers, and/or pre- and post-cruise hotel accommodations. Please let me know how I can help with these arrangements to fit your travel needs.

Trip Protection Insurance: I highly recommend considering trip protection insurance. While we strive for everything to go according to plan, unforeseen events can occur. Insurance coverage is vital as we cannot be liable for any change or cancellation fees associated with your cruise, air travel, transfers, or other cruise enhancements. It's always better to be prepared for the unexpected.

Thank you again, and please feel free to contact me with any questions or further assistance.

Thank you,
