

Thank you for booking your Royal Caribbean cruise with me! I'm thrilled to be part of your journey and look forward to you experiencing all that Royal Caribbean's ships offer. Think of them as floating resorts, brimming with endless possibilities for fun and relaxation. Now that your cruise is booked, it's time to let the pre-cruise excitement begin!

Attached is your cruise confirmation, so please review as soon as possible and let me know if you have any questions.

### **Passport Check – Your First Step to Smooth Sailing**

Before the adventure begins, let's ensure your travel documents are shipshape:

- **Name Match:** Verify that the first and last names on your passport match your cruise confirmation and air confirmation, if air is included.
- **Validity:** Ensure your passport remains valid for at least six months after your return date. Some cruise destinations may not require passports to be valid for six months after your return date, but the general rule of thumb is that they should be valid for at least six months after your return date. Please don't hesitate to ask me if you have any questions about your passport.

These steps are crucial to avoid any hiccups during boarding and pre-cruise planning.

### **Dive into the Royal Caribbean App**

Now's the perfect time to download the Royal Caribbean app and start exploring:

- **Entertainment & Dining:** Browse onboard shows and specialty dining options.
- **Shore Excursions:** Plan and book exciting adventures at your ports of call.
- **Cruise Enhancements:** Consider adding beverage packages, Wi-Fi, and more to elevate your experience.

While some features may not be immediately available as onboard teams finalize details for entertainment and dining, start your online check-in and regularly check the app to see if specialty dining and entertainment are available to book.

### **Begin Your Online Check-In**

Kickstart your cruise experience by completing the online check-in process. This not only streamlines your embarkation but also sets the stage for the excitement ahead.
