

Danny Fisher

Thank you again for booking your upcoming vacation with Nationwide Cruises and Vacations! I truly appreciate your business.

This is a reminder that your final payment is due. I've attached your booking confirmation, and you can click the "Pay Now" button and enter your payment information. Of course, feel free to call me directly if you need assistance or prefer to pay over the phone.

Also, I recommend double-checking your passports **as soon as possible** and making sure they are **valid for at least six months after your scheduled return date**. If they need to be renewed, please give me a call so we can assist with any travel documentation requirements. Also, make sure the first and last names listed on your documents match your passports.

Should you have any other questions in preparation for your trip, please feel free to reach out. I'm here to assist you every step of the way!

Cheers,
