

Thank you for your Norwegian Cruise Line with me! I'm excited to help you create unforgettable memories on the high seas. I've attached your confirmation so please review as soon as possible.

To ensure a smooth and enjoyable journey, please take note of the following important steps:

 **Passport Requirements:**

- **Name Matching:** Ensure that the first and last names on your passport exactly match those on your cruise confirmation, as well as any air and hotel reservations included in your package.
- **Validity:** Your passport should be valid for at least six months beyond your return date. Please ask me if you have any questions about the validity dates of your passport for your destination.

 **Norwegian Cruise Line (NCL) App & Online Check-In:**

- **Download the App:** I recommend downloading the NCL app as soon as possible. This will be your go-to resource for managing your cruise experience.
- **Start Online Check-In:** Begin the online check-in process through the App. While you can initiate this process now, please note that final check-in opens 21 days before departure and must be completed at least 3 days before sailing.
- **Book Specialty Dining & Shore Excursions:** Once available, use the App to reserve specialty dining and shore excursions. Popular options can sell out quickly, so early booking is essential to secure your preferred experiences. It's important to start this process as soon as possible and check the App often to see when specialty dining and other cruise enhancements are available for your cruise.

 **Final Check-In Reminder:**

- **Set a Reminder:** Since final check-in opens 21 days before departure, please set a reminder to complete this step promptly.
- **Travel Documents:** After you've completed the final check-in, I'll send you your travel documents, including printable luggage tags and your boarding pass. These documents will also be accessible through the NCL app.

 **Pre-Cruise Travel Recommendations:**

- **Arrival Timing:** To ensure a stress-free start to your cruise, I recommend arriving at least one day before your cruise departure. For international destinations, consider arriving several days in advance to adjust to the time zone, explore the departure city, and minimize potential flight delays. If I am not booking your flights, please check with me before confirming the required arrival and departure times.

I'm more than happy to assist you with booking flights, hotels, and transfers to make your travel experience seamless.
